Dear Sir:

In preparing the BOOK OF REMEMBRANCE on Marjorie Pickthall we found that she had a number of most artistic photographs, taken in different parts of Canada. I suggested to Mr. Pickthall that such a souvenir of one of Canada's greatest poets would be greatly appreciated by each of the universities; to this he agreed. We have pleasure, therefore, in sending you a picture taken by Marjorie Pickthall and autographed by her. It is our hope that you may be able to have this framed and hung in a conspicuous place.

Very sincerely,

*To Broeg
Please acknowledge Lorne Pierce.
