Tankard Semi-Finals 🔆 Granites v. Lindsay 🔆 Paris v. Sarnia

TANKARD DOWN TO THE SEMI-FINALS

in First and Second Rounds -Play on Keen Ice.

Toronto Granites, Lindsay, Paris and Sarnia are the four clubes remaining in the running for the Ontario silver Tankard, that was last year won by Collingwood. The first two come together this morning, and the winner meets Sarnia or Paris, whichever survives, in the after-

Paris, whichever survives, in the alternoon.

Granites went thru both games yesterday with long margins, and Guelph Unions played in the second round sufficiently skilful to down any ordinary team. A feature was the accurate shots of the veteran, A. Congalton, third player on Frank Johnston's rink, that neld T. Rennie down to 13 in 18 ends. "Alex' has been curling over 50 years. He has passed the three score and ten mark.

Lindsay pretty nearly doubled the score on St. Thomas in the morning and had nine on Napanee in the afternoon. J. D. Flavelle, with Larry O'Connor third, has about as strong a rink as Geo. Gillies, his running, mate.

running, mate.

The Bye Helps.

Sarnia had the bye in the morning and defeated Aberdeens in the second round, the colonel being 4 up on Empringham and the doctor had a lead of 10 on Gild-

and the doctor had a lead of 10 on Gilding.

Paris, the fourth survivor, had a close call in the first round, Carnie carrying his running mate over, as Telford was three up on Armitage, and Owen Sound was only one down all around.

Then Armitage came to the rescue in the afternoon with a seven point margin, and Rule put away Collingwood.

Ralph Ripley and his Hamilton Victorias and Doc Simon and his Barrie thorobreds were promising teams that falled to survive the initial round.

The ice was perfect at the clubs.

Anyone watching the play yesterday would pick Granites to win the Tankard, the Lindsay will give them a hard battle this morning. However, the Sarnia curiers started out in bonspiel form, and if they beat Paris, as seems probable, President T. H. Brimston will have something to say about a close, hard fight when he is presenting the Tankard behind the observation parlor at the Victoria Club at 7 o'clock this evening.

Chicago Manager Says Feds Will

Spend Two Millions as a

Starter.

Joe Tinker writes to a Montreal friend, He says: "We are plainly up against it. The Nationals and Americans, aided by the Internationals and all the minor leagues, are fighting us to the limit, but we will beat them out. It is a signatify job we have on hand and nobody recognizes the fact better than Mr. Gilmore and the gentlemen who are acting with him; but we will win. Mark the last three alliterative words. We will win. The Federals will spend two million dollars to start with and after that they will protect their own. You know what that means. Personally I would like to see Montreal in the league, for you are not getting the class of baseball you are entitled to, but Mr. Gilmore thought that at present one club in Canada was as much as the Federals could stand.

much as the Federals could stand.

Subsequently we may establish an intermediate or subsidiary league with players of championship calibre, or we may enlarge the premier league to twelve or even sixteen clubs, fashioned on a schedule that would shorten travels, but to start with, we think that Baltimore, Buffalo and Toronto are all we can tackle, the two former old major league towns, and Toronto is clearly a major league city."

NEW FIELDERS FOR MONTREAL.

MONTREAL, Feb. 5.—The acquisition of three new outfielders was announced by President Lichtenhein of the Montreal Baseball Club yesterday. Lindner and the Collins brothers of Charlottesville, are the men he has secured. W. O. Burch, a right handed pitcher on the roster from last year writes in, stating that he will be with the club once more this season. Drummond Brown is reported as jumping over to the Feds, but President Mc-Caffery is not worrying any. Drummond has accepted terms with the local International League club and advance money, and wires that his signed contract is on the way. He is also securing a young pitcher for the Toronto club who has a big rep down south.

The following players have turned in their signed contracts to the Toronto club within the last two days: Fisher, the ex-Brooklyn short fielder; Outfielders year with Pittsburg, and Infielder Pick. All these players accepted terms some time ago, and in organized ball accepting terms is as binding as a signed contract.
