BIGGEST CIRCUS

Ringling Brothers' Show Was Seen by Many Thousands Yesterday.

TREMENDOUS SPECTACLE

Solomon and the Queen of Sheba Best of Whole Show.

The Solomon and Queen of Shebs spectacle of Ringling Brothers' Circus attracted thousands of persons to both the afternoon and night performances in Dufferin Park yesterday. The many new features embodied in this year's show made it something entirely different from anything ever before seen in Toronto, and the great crowds which

in Toronto, and the great crowds which thronged the grounds thruout the day did justice to the brilliant settings and pageantry of the principal attraction.

The parade, which left the show grounds at 9 o'clock in the morning, was witnessed by thousands all along the line of march. The procession was more than three miles long and took considerable time in passing. A feature of the parade, which was received favorably by all who saw it, was the great number of Canadian and British flags that accompanied the marchers.

Long before the gates opened at 1 o'clock, an hour ear the crowds before the main tent.

cars and the presence on and about the grounds of policemen, insured perfect order and everything went off smoothly at both performances.

Performing Animals.

Aside from the Solomon and Queen of Sheba spectacle, which comprised tremendous ensemble never seen before in Toronto, and brought forth applause thruout the actions. the performing thruout the actions, the performing animals were appreciated highly by all present. The chariot races and Roman bareback contests especially were impressive, while the horse races and the dog race was applauded heartily.

The acts in each of the three rings held the attention of the arena audiences afternoon and night. A force of 50 clever clowns and comedians, with new jokes, added to the ripple of laughter which ran thru each performance. The trained seals and daring acts on the ropes, as well as the rope walkers and pole climbers, come in

also for their share of appreciation. Large Menagerie.

The menagerie in the large animal tent was the object of interest follow-ing both performances. This department of the great show is equipped better this year than at any previous time, and comprises 108 cages. The troop of 40 performing elephants and the three giraffes, valued at \$40,000, were the main feature, while the cat animals and monkeys were a source of great amusement to children.
The show officials last night declared

the attendance above expectations, and expressed the opinion that today's performance would be attended by even greater numbers. The big show will begin at 2 o'clock this afternoon and at 8 o'clock tonight. The gates will open

ST. CYPRIANS WIN AT NEWMARKET

This C. and M. League game at Wiliowvale on Saturday resulted in a win for the home team with a score of 79 to 36. Capps played an excellent innings of 33, giving one chance when he had made 23, and was well supported by Clark and Carter, with 12 and 10, respectively. Fing and A. Evans, who started the bowling for Newmarket, did not come off, the former giving 15 runs for no wicket, and the latter 46 for three, but J. Shelly and C. Evans, who went on with the score at four for 63, soon dismissed the remaining batsmen. Shelly taking four wickets for six runs, and Evans two for nine. For Newmarket, A. Lee and G. Young each made ten runs, the former having to retire after hitting up a leg ball that landed on his left eyebrow, cutting a gash that required surgical treatment. The successful bowlers for the Saints were Barber (3 oyers, 2 maidens, 5 wickets for 11 runs) and W. The home batsmen could do nothing the first innings with the fast and slow bowling of Dobbie and Meldon. Inglis alone was in form in the second and hit up half a century. WOODGREEN WIN FROM EATONS.

Woodgreen C.C. met the Eaton C.C. in a C. and M. League fixture at Riverdale Park on Saturday, and succeeded in taking the big store team into camp and administering defeat by 19 runs.

Woodgreen batted first, and made a total of 64 runs, of which Turner (20) and Wilkinson (19) were the only two batsmen to make double figures. Eatons, following, could do very little with Woodgreen bowlers, and, with the exception of Clarke (15), made by hard hitting, they were soon disposed of.

Woodgreen's bowling was exceptionally good, Fullard securing five wickets for 21 runs; Green one for one, and Mayor two for four.

The fielding of Woodgreen was first-class, not an extra being allowed, and every possible chance bein taken care of. This will be noticed from the fact that only one Eaton batsman was bowled, all the others being caught out. The following is the detailed score:
