Sovereign Grease

St. Catharines, July 20th, 1889.

To whom it may concern —
I have been using SOVEREIGN GREASE for the past two months, and I can say that it has given me entire satisfaction, and is a saving of 60 per cent. over Oil, and is that much better than Oil. I have been running eight (8) tons from St. Catharines to Montreal and return on 40 lbs GREASE, and using it on my crank-pin as well as all other bearings.
Yours respectfully,
(Signed,) SAM BRISHIN,
Engineer "Ocean."

EPPS'S COCOA.

BREAKFAST,

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of the well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage, which may save us many a heavy doctor's bill. It is by the judicious use of such articles of diet that a constitution may be gradually fed up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette*.
