Would you have a slight estimate of the value of this industry to the material wealth of the Dominion? Note that the arm of the big sign in the dairy building, which reads: "Capada has experted each wash."

ronto, have had a spirited encounter in regard to the Grand Trunk Pacific, and The Globe denies the relationship divide intelligently. The late war can hardly be described as such an issue, because once the nation is at war, it is impossible for the people to reason coolly about the matter. The question of free trade and protection must be settled by argument, and the longdisputes are a cause of pain. If there lars with the Canadian cheese manu-

will be very considerable. Pamphlets are being circulated from both sides in hundreds of thousands; the platforms are resounding with free trade and protection speeches, and the British citizen is exercising his time-honored privilege of writing to The London Times.

We printed yesterday some extracts from one of a series of very able articles "by an economist" who is a series of very able articles "by an economist" who is a series of very able articles "by an economist" who is a series of very able articles "by an economist" who is a series of very able articles "by an economist" who is a series of very able articles "by an economist" who is a series of very able articles "by an economist" who is a series of very able articles "by an economist" who is a series of very able articles "by an economist" who is a series of very able articles "by an economist" who is a series of very able articles "by an economist" who is a series of very able article in reference to my sermon on "Judas," preached Sunday, "preached Sunday, "preached Sunday," preached Sunday, "preached Sunday, "preached Sunday," preached Sunday, "preached Sunday, "preached Sunday," preached Sunday, "preached Sunday," preached Sunday, "preached Sunday," preached Sunday, "pre from one of a series of very able articles "by an economist" who is a protectionist. The other side is being vigorously upheld by that old Liberal war horse, Sir William Vernon Harcourt. He is a kind of English Cartwright. He sums up the position of Mr. Chamberlain in this way:

betrayal, if not worse, for after Judas had gone out disappointed that Christ had not been crowned king and with not explained why, Christ had in the minutest detail in the 14th, 15th, 16th chapters of John explained to Peter the true meaning of his kingdom. I also stated that Peter was one of the inner circle of Christ's disciples, a witness of the transfiguration, the resulting the control of the dairy building. He is a pioneer in the cheese business, having been manufacturing for some 30 years. In 1883-4, he was exhibiting cheese here and taking first prizes. He observed to The World yesterday: "The average quality is better this year than last. I recall that we had Mr. Chamberlain in this way:

1. The empire is in danger of disruption.

2. That danger is due to the expectation that the allegiance of the self-governing colonies will probably be aliented unless they are bound to us by the of interest in the form of preferential tariffs.

3. That this matter is urgent and must be concluded without delay.

4. That the preferential tariffs can which the safety of the empire hangs involve, on our pert, the taxation of the food of the people of the United Ent preference given to us in return is not stated, nor indeed are we to be told till the government is authorized by a mandate to effect the sacrifice on our part in respect of the prime articles of the subsistence of our people. The food of the colonist is to be free, the Drittle food in the proposition of the people of the United Ent preference given to us in return is not stated, nor indeed are we to be a colonist is to be the colonist is to be the colonist is to be the proposition of the proposition of the colonist is to be the proposition of the proposition of the proposition of the colonist is to be the proposition of the proposition of the proposition of the proposition of the colonist is to be the proposition of the p articles of the subsistence of our peo-ple. The food of the colonist is to be free; the British food is to be taxed. 5. The reason alleged for this coup de theatre, by which, to the surprise of Mr. Balfour, the country has been and is agitated, is stated to be the demand on them just the same as they are on of the colonies, more than a year ago, for a preferential policy, the particulars of which they have never defined, was better than repentance, hence I

MUNICIPAL OWNERSHIP.

opinion has been formed, "all the great organizations of the working classes and their representatives have declared against the policy thus formulated by Mr. Chamberlain. The whole Liberal party has condemned it. A most important section of the supporters of the government have organized a powerful resistance to this policy. The names of all the principal authorities on finance and economics are recorded against it."

It is quite likely that the opposition will be formidable, but this is not a reason for minimizing the new policy; rather a reason for enlarging and strengthening it. It is useless to attempt to disguise the fact that a great change is proposed. The tremendous interest evoked by Mr. Chamberlain's utterances shows that the people recorded again and pushes it to its legiminate organized and their representatives have declared against the policy thus formulated a powerful resistance to this policy. The names of all the principal authorities on finance and economics are recorded against it."

papers. Our cherished ideal is fitly expressed in the words of the poet;

When peace shall over all the earth
Its ancient splendors fling
And the whole World give back the song
That now the angels sing.

PETER AND JUDAS.

Editor World: In your paper of Aug. 31 I notice an article in reference to my sermon on "Judas," preached

The daily building yested and butter exhibits, and attentively noting the remarks of the demonstrators and the lecturer. "I have been coming to Canada once a year for many years to buy the product of the dairy farm," he observed to The World. "The progress of the industry is, to my mind, little less than marvelous. I have noted the various stages of its development, especially that of cheese. To-day the Canadian article stands pre-eminent in the markets of the world. It established the price in London, in India and thruout the world. The exports from Canada in cheese this year will exceed last year's by something like 250,000

cheese industry has made more rapid progress than the art of butter mak-ing."

The modern dairy structure is a monument to the persistent energy of Director A. F. Macharen. He was interested in the Exhibition's success as well as the proper display of this important feature of the agricultural resources of the Dominion. In the old This would perhaps be hardly accepted by Chamberlain as a statement of his position, inasmuch as it is mix—

DAIRY AND CATTLE INTEREST

Continued From Page 1.

Sound. In the afternoon: Miss Helen McAllister, Coventry, Ont.; Robert W. Burns, Havelock, N.B.; Miss Martha Hunter, Rockton, Ont.

The live stock judging attracted a large crowd. To-day there will be no attraction in this department, the proattraction in this department, the pro-fession taking a rest until Monday. Then Shorthorns will be judged. As there are 240 entries, this is expected to require two days' attention. Yesterto require two days' attention. Yesterday the judging was in Jerseys, Ayrshires, Guernseys, Holsteins. There were 17 classes in each breed. As an evidence of just how close the grading was this year and the competition in point of excellence, more than three hours were consumed in the judges trying to determine the prize in the Ayrshires.

Some of the really interesting results some of the really interesting results were: Jerseys, sweepstakes—Winner three-year-old Blue Blood, R. H. Bull & Sons, Brampton Guernseys, sweepstakes—Winner, Ireland Heirloom, Mrs. Massey. Holsteins, sweepstake—Winner, three-year-old cow, Carbondekol, W. W. Brown, Lyn.

Prize Cattle. Following are the results of the cattle show in Jerseys and Guernseys. The Ayrshires and Holsteins were not finished yesterday, the classes being exceptionally filled. Mrs. W. E. H. Massey of Coleman, and Messrs. Bull and Sons of Brampton were the strongest competitors. strongest competitors.
