

J. ROSS WINS TURKEY AT THISTLE TOURNAMENT

Leland Barrie Wins Second Prize in Progressive Euchre Meet.

J. C. Ross walked away with the Christmas turkey at the Thistle Club euchre meet held at the club rooms last evening. The special prizes which were offered were responsible for such a large attendance as the club rooms were well filled.

Leland Barrie, son of O. C. Barrie, secretary of the curlers, won the second prize, which was a chicken.

The rumor that this will be an open winter caused much comment to be passed at the gathering as the members of the club are anxious to get on the ice again and sweep 'em down. The euchre meet will be held each Friday evening until the curling season begins.

CHRISTMAS CONTEST FOR LOCAL BOWLERS

Turkey Will Be Given To High Bowler in Five and Ten Pin Games.

A turkey will be given for the bowler running up the highest score in three consecutive ten-pin games at the National alleys from now until the night of December 24. A similar prize will be given the five-pin bowlers.

Every man in the city who knows how to knock 'em down is expected to take a try for the free turkey dinner.

A list of the high bowlers who are in the contest will be published and the scores of the winner will also be announced Christmas Day.

SUCCUMBS TO "FLU"

R.A.F. HOCKEY PLAYERS DISBAND AT TORONTO

TORONTO, Dec. 20.—The Royal Air Force hockey team have disbanded and the players are going south after their season. New man Hall have secured Ernie Collett, and are hot foot after Woodcock. The latter turned out with the new entrance last night, but did not sign a certificate.

The breaking up of such a formidable sextette is an unfortunate occurrence, but no blame can be attached to Manager Alf. Collett, who did everything possible to have them remain together. However, with the Royal Air Force demobilized, there was no particular reason why the members of the sextette should remain here instead of returning to their homes.

Bruce and "Bill" Duncan have gone to the South, and expect to return after the Christmas holidays. He would prove a valuable man to have around, and would make a strong effort to secure him.

FRAZEE SHADOWS SALE BY TRADING PLAYERS

Past Owners Sold Players Before Disposed of Club.

BOSTON, Dec. 19.—It may be that the trade of Lewis, Shore and Leonard by the Red Sox to the Highlanders freshens the sale of the Boston club by Harry Frazee.

Joseph J. Lammie sold Tris Speaker before he disposed of the Red Sox. He got a big price, said to have been \$50,000, for Speaker, and he did not sell the club for some time afterward.

If Frazee is planning to sell, it is hard to see why he should let three stars go in a deal in which the cash consideration cannot have been more than \$15,000. Until Manager Barry proves that he has a great team without these stars the value of the Red Sox franchise will be deemed depreciated.

It is true that Barrow won the pennant in the American League and the Sox from the Cubs last year without Lewis, Leonard and Shore, but the calibre of the other teams in 1915 was not up to the usual standard and was far below what is to be expected this season.

STANLEY CUP GAMES AT COAST MARCH 17

Thirty-Game Championship Schedule Arranged by the Pacific Coast League.

VANCOUVER, Dec. 20.—A 30-game schedule, calling for ten home matches for each club on the circuit, and a play-off at the end of the season for the championship, and the right to play the N. H. L. winners for the Stanley cup, has been drafted by the Pacific Coast Hockey Association. The opening match of the season is scheduled for Seattle on New Year's Day, Vancouver opposing the Meik.

Victoria opens January 3 against Seattle, and the Vancouver champions clash with Victoria here on January 6, in the opening game for this city. The final league game is set for March 16, and will be followed by home-and-home games between the teams finishing first and second, and goals to count. The Stanley cup series will start on western ice about March 17.

NATIONAL LEAGUE IS IN GOOD CONDITION

Boston Is Prepared To Invest More Money in the League.

NEW YORK, Dec. 19.—President Heydler has the National League in good condition for next year. Rumors of financial weakness in several cities have been dispelled.

The Cincinnati club has been reorganized with new capital. The St. Louis team, which has been in a financial straits, has made a final payment to Mrs. Britton for the club's franchise. President Baker has put the Philadelphia club on a sound basis, while the banking firm which owns the Boston Braves is prepared to invest more money. It is said, G. H. Ebbetts of the Brooklyn club, is making the storage business at a profit in the city during winter, and says he is in easy street. The old circuit, therefore, has taken a new lease of life.

MILBURN'S LAXA-LIVER PILLS

Act as a stimulant to the sluggish liver, clean the furred tongue, sweeten the foul, obnoxious breath, and clear away all the poisonous accumulations from the system by causing the bowels to move regularly and naturally every day, thus preventing as well as curing constipation, sick headaches, biliousness, flatulency, water brash, heartburn, and all diseases arising from a lax, slow or torpid liver.

They are purely vegetable, small and easy to take, and there is nothing of the griping, weakening and sickening effects of the old-fashioned purgatives.

Mrs. John Kadey, Chipman, N. B., writes: "I have been using Milburn's Laxa-Liver Pills for some time and can recommend them to anyone suffering from heartburn and liver trouble. I tried other remedies, but they only relieved me for a short time. I always recommend Laxa-Liver Pills to all sufferers, as I think they are a valuable remedy."

When you go to your dealer and ask for Laxa-Liver Pills, see that you get the genuine "Milburn's." Price 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Company, Limited, Toronto, Ont.

JIMMIE WILDE WILL FIGHT IN AMERICA

Sensation of England To Visit United States for Scraps.

NEW YORK, Dec. 20.—Jimmy Wilde, the most sensational of all English boxers, expects to cross the Atlantic within the next few months. The Irish flyweight champion wants to reach out his gloved mitts for rich purses that can be earned in this country. Most of all he desires a return engagement with F. J. Moore, who won from him on points in the recent King's Cup tournament in London.

Wilde has been a mystery to British boxing authorities, and especially to his opponents. In appearance and style he is everything boxers should not be. Eugene Corri, noted London referee and sportsman, describes Wilde as a puny youngster whose ring methods are a mystery. The Marquis of Queensbury, who laid down modern rules for boxing, certainly never contemplated his regulations for anyone in the make up of a Jimmy Wilde.

Yet the British title-holder has topped over every kind of opposition, even when he weighed much more than his bare 100 pounds. Really, Wilde is more of a mystic than a boxer. He has boxed judges, for scores of doctors have marvelled how he commands strength and endurance to withstand not one but many hard ring battles.

Wilde with his peculiar boxing tactics, has won through a class field. Invariably he went out of his weight for victory. This record didn't impress American ring followers to any great extent, because it was excused on the ground that English boxers lacked class in late years.

NEW YORK YANKEES MAY GET TY COBB

NEW YORK, Dec. 20.—Ty Cobb is anxious to end his baseball career as a member of the New York Yankees, so the baseball world may soon be startled by news of a big cash offer by Col. Jacob Ruppert, for the famous Georgian.

Upon his return from France this week Cobb made a rather significant statement. He said that he was tired of baseball, but that he might succumb to the lure of the game next spring. He then added that he could not give himself a free agent, inasmuch as he was given ten days' notice of release by the Detroit Club last spring. It is understood that the contract which Cobb drew \$20,000 annually expired last fall. Ty Cobb is a man of independent means now, and a big salary will be required to coax him back into baseball. The Detroit club may not feel equal to assuming such a heavy obligation, inasmuch as the Tigers could not show a profit last season, even with Cobb as an attraction.

If Tris Speaker was worth \$50,000 to the Cleveland club two years ago, much more to the Highlanders. He not only is the best "box office" attraction in baseball, but right now he would complete an all-star outfield for Figgins. If placed in right field he would make the fans forget Gilheoley.

PALMERSTON LEAGUE DONATES PROCEEDS

Sum of \$95.10 Turned Over to Returned Soldiers' Fund by Baseball League.

PALMERSTON, Dec. 20.—At a meeting of the Palmerston Baseball League held recently a report was submitted by Secretary-Treasurer R. Horning which showed the league to be a great success this past season. A check for \$95.10 was issued for the Palmerston returned soldiers' fund.

Exhibition games were played at Palmerston this summer. The proceeds of each game went to patriotic funds.

Mayor Trevelyan gave a short address, and spoke highly of the Palmerston Baseball League and the officials who were responsible for the success of the league.

DEMPSEY MAY BATTLE WITH MIKE GIBBONS

Heavyweight and Middle-weight Scrappers Likely To Meet.

NEW YORK, Dec. 20.—A match between Jack Dempsey, heavyweight, and Mike Gibbons, middleweight, is not beyond the realm of possibility.

Certain inducements, it was learned today, have been offered both men. Each, while not yet acquiescing, has agreed to give the matter serious consideration, and there are reasons to believe the fight will be staged.

A world-famous promoter is behind the scenes pulling the wires. But if it comes off it is a certainty that the fighters will have to make a guaranteed fight, and there is no possibility of high finance instead of a battle.

A bold bet on these two masters of the ring would be a scrap from the standpoint of the fans. It would be absolutely fair. It would insure action before the war started. The nearest he has come to a real battle recently was before the death of Les Darcy, when strenuous efforts were made by Eddie Kane, his manager, to get him against the Australian champion, but without avail. He was in perfect condition then, and his manner of living suggests that he probably is in the best of trim now. He weighed then somewhere near 150 pounds. Recently he has been a hand-to-hand fight instructor for the army, and has had wonderful success, so much, in fact, that he probably will be given an army commission. He weighs now about 170 pounds.

Dempsey weighs much more than this, and has been fighting frequently. This would give him a certain advantage, which probably would be offset by

LOUISVILLE CLUB SOLD FOR SUM OF \$150,000

LOUISVILLE, Dec. 20.—No announcement of the names of the men to whom President C. H. Wathen sold the Louisville American Association Baseball Club has given a verbal offer for the purchase of the franchise will be made until certain preliminaries in connection with the deal have been completed, Mr. Wathen said yesterday.

In confirming reports that he had agreed to sell the Louisville club for \$150,000, Mr. Wathen said his decision had been forced by the pressure of other affairs.

PRESIDENT McCAFFERY TO ATTEND BASEBALL MEETING

TORONTO, Dec. 20.—President Hickey of the American Association yesterday invited President McCaffery of the Toronto club to attend the meeting of the National Association at Chicago on January 10. At this meeting the International League and the American Association are expected to be largely represented. Matters pertaining to the welfare of the minor leagues of all classifications will be discussed for reference to the joint meeting of the National Association and the two major leagues at New York on January 16.

President McCaffery will attend the Chicago meeting largely for the purpose of airing some of his grievances in connection with the League's action in connection with the Leagues and Malone cases. He will endeavor to have the whole matter taken up again at the New York conference.

MALONE WILL BE BACK WITH STRATFORD SIX

STRATFORD, Dec. 20.—Another Stratford hockey player will be back in the city in a few days in the person of Harold Malone, who played goal for the Juniors for two seasons. Malone got as far as New Westminster with the Siberian draft, but was returned east. He is regarded as one of the best goalers in this district and should fit in well with the intermediate team here.

STRATFORD JUNIORS WILL ENTER NORTHERN LEAGUE

STRATFORD, Dec. 20.—Stratford Hockey Club has received an invitation to enter the Northern Hockey series, and it is quite probable that a junior team will be entered. Stratford has won the junior championship for the past two years and should be able to do so again.

With the first scheduled game not far away, there is not the slightest semblance of any ice here. The team is working out at the Y. M. C. A. regularly.

HER FIVE CHILDREN

Had Whooping Cough At the Same Time

Whooping cough is one of the most dangerous diseases of children, especially to those under five years of age. It first starts with a fever and cough, sneezing, watering of the eyes and an irritation of the throat. Later the coughing increases, the child becomes livid in the face, the eyes appear as if they would burst from their sockets, and suffocation seems imminent till relief is brought by the "whoop."

On the first sign of whooping cough we would advise the use of Dr. Wood's Norway Pine Syrup. This famous remedy will clear the bronchial tubes of the collected mucus and phlegm, and in this way ease the racking cough and in a short time make it disappear entirely.

Mrs. Walter McLaughlin, North Stratford, Sask., writes: "I have five children, the eldest thirteen and the baby two years old. They all had the whooping cough at the same time. I tried two or three cough remedies, but none gave the same satisfaction as Dr. Wood's Norway Pine Syrup. A home where there are young children should never be without it. I will highly recommend it to those who want a quick cure."

There are many imitations of Dr. Wood's Norway Pine Syrup, so be sure you get the genuine by insisting that the package is put up in a yellow wrapper; three pine trees the trade mark; price 25c and 50c, and manufactured by The T. Milburn Company, Limited, Toronto, Ont.
