the man who wants to prosper must practise both. There's neither sense nor reason in paying twice over for anything. "Money saved is money earned," and if you save 50 cents in the dollar, you are doubling your spending capacity or increasing your Bank balance. There's not a Liner crossing the Atlantic to-day which does not carry our Suits. Our system is perfection itself, and thousands of those residing overseas are availing themselves of the opportunity afforded by us to secure their clothing from the old country. Our Catalogue-Booklet describing our business is worth getting, and the perusal of same will at once convince that we are a "live," "up-to-date" firm with brains and straight business principles. Our method of Mail Order Tailoring is simple, and you can rely on obtaining the latest styles, either Home Fashions or American cut, correct and unequalled finish, at prices miles in front of any demanded in Canada for much inferior goods. The process is simple. Merely fill in a postcard, and address same to our Distributing Agents for Canada-The Might Directories Ltd.-asking for our selection of materials. By return you will receive our latest assortment of patterns, together with latest London and New York fashion plates, instructions for accurate selfmeasurement, tape measure, all Free and

Industry and thrift go hand-in-hand, and

Carriage Paid. To measure yourself is so simple that we guarantee—an official form of guarantee is enclosed with each Booklet—to refund your money in full if the goods do not fit and are not to your thorough satisfaction. We dispatch your order within 7 days from receipt, and if you don't approve return the goods, and we will refund your money.

it looks as if the powers that he have taken advantage of the technical situation to advance prices to a point where hedging sales could be put out to much better advantage in relationship to the deferred options than for some time past.

As we have said before, it is purely a domestic proposition, and we think that this lacks sufficient force to warrant any sustained advance at this time.

The market, technically, is weaker by the enormous covering of the past few days.
