CHARLIE EASTMAN THIRD
THE UPSET AT HAMILTON

Public Also Get Dumped on In-
jury—Howard and Burns
Each on Two Winners.

It was cold and cloudy with threat-
ening rains for the fourth day
of the Hamilton Jockey Club races.
But the attendance was once more
very good with the usual crowd from
Toronto. The track was fast. The
first disqualification of the meeting oc-
curred in the first race when Bonnie
Bee, after leading all the way, was
set back for crowding Omicron at the
finish.

The upset of the day was Charlie
Eastman in the third race at 6 furlongs.
He got away slowly and was cut off
several times during the race, but
made up a lot of ground in the stretch
run and was a close up third. With
fair racing luck he would have won.
Injury was another hot favorite that
put a crimp into the talent, being
badly beaten in the sixth race by
Chilla, Gold Dust and Oforine.

English Esther from the Valley Farm
stable was out to the last ounce to
win the fifth event from Elwyn. It
was only Burns' superior ride that
landed the filly by a nose. And again
in the seventh race Burns had to do
his best to win with John Carroll.
The old horse looked to be out of it
at the head of the stretch, but under
Burns' hustling ride got up to win
by a short head.

Dr. Pillow, at odds on, was much
the best in the steeplechase, being in
front all the way.
Jockeys Howard and Burns had two
winners each. Favorites still continue
to take a majority of the events with
the second and third choices either
winning or running in the money.

There are seven races on the card
again for to-day with the Autumn
Handicap at one mile and a quarter,
as the feature. It will bring together
the winner of the Ontario Jockey Club
Cup Azo and Cave Adsum, who ran
second.

WAS OUR ONE BEST BET YESTERDAY

TO-DAY

10 to 1

Or thereabouts will be offered against the chances of a trick which

we are going to advise our clients to make the biggest bet of their

lives on. This one is without a doubt the best thing that has been

cooked up for betting purposes exclusively in the past month. If

you have been playing bad information—and are a loser on the

meeting—here is a chance to get in on a real live one that will deliver

at a big enough price to enable you to recover every dollar you

dropped since the Hamilton meeting opened, and to put in a stock of

supplies to last over the winter months. All you have to do is bet.

Everything has been attended to and there is not over one chance in

one hundred of it going wrong. Don't let this opportunity slip by

or you'll have cause to regret it when you see this horse winging out
