## EFFORTS OF SHORTS LITTLE REWARDED

Railway Issues are Strongest Feature of New York Market.

New York, July 21.—The only noteworthy feature of today's stock market, apart from the very limited dealings, was the stout resistance offered to professional pressure. For the most part, traders espoused the short side, but made little impression, save in isolated cases.

Railway shares led the market, so far as the list displayed any leadership or definite trends. The recovery of transportation issues suggested a possible adjustment of the more important differences now existing between the railway brotherhoods and executives.

Advices from Washington strengthened the hope that the United States Interstate Commerce Commission is likely to take early action on the request of the railroad heads for increased freight and passenger rates and possible baggage tax.

The usual favorites in the industrial and special divisions did little more than mark time, although shipping and express shares made substantial advances. One of the few exceptions to the higher tendency was the sugar group, in which prices fell violently in sympathy with a sharp break in the raw product. Sales amounted to \$1,000,000.

Reviews of conditions in the steel industry referred to increasing signs of recovery in allied lines of trade. Gradual improvement in the freight situation is expected, however, in connection with the advance in railroad wages.

Interest in foreign exchange shifted from European remittances to South America. The rate on Argentina recording a further discount, in marked contrast to the early months of the year, when Buenos Aires bills here commanded a premium.

Liberty bonds were firm, but most domestic issues, industrial as well as rails, showed nominal gains or declines excepting Virginia deferred 4s, which were strong. Total sales (par value) aggregated \$1,975,000. Old U. S. bonds were unchanged on call.

At the start of the wheat market, the majority of traders inclining to the view that \$7,000,000 bushels enlargement of the Kansas yield compared with a month ago would more than offset whatever damage was done by black rust in the northwestern states. Reports of a welcome rain over the drought districts in Canada tended also to emphasize bearish sentiment. On the decline in values, however, persistent buying developed, with a big elevator interest in the lead. Then shorts started to protect themselves and found little for sale. Nearly all of the early setback was thus overcome.

Corn and oats were hoisted by flurried covering on the part of shorts, who at first had things their own way, but later encountered heavy commission house demand from the same interests that wanted wheat.

## Plays, Pictures and Music

"Shore Leave" By Robins Players. Another mark of esteem has been conferred upon Edward H. Robins and his Robins Players, by the master director of the American stage, David Belasco, when he offered them the opportunity of making the first presentation on any stage in the world of his newest comedy, "Shore Leave," from the facile pen of the Canadian author, Hubert Osborne.

"Shore Leave" has been built for laughing purposes only, and while it is essentially a comedy, there is a very sensible, well defined story running through the entire play, which consists of the old query, "What's in a Name?" For, in "Shore Leave" the commander of the boat is named Smith, likewise several of the crew bear the same name, and as the young debutante is in love with well, there are several Smiths and they are all sailors with the sailors' love of fun and frolic. Needless to say, with the confines of a boat for the locale of the comedy there is lots of laughter.

At Loew's Next Week. Victor Jones, of Philadelphia was stranded and "broke" in London one day, and the next day he was the Earl of Rochester, possessor of a large estate and a solid reputation. How it happened makes a delightful picture, with the distinguished William Faversham as the star, appearing in a dual role in "The Man Who Lost Himself."

next week at Loew's Yonge Street Theatre and Winter Garden. "The Man Who Lost Himself" is a play in which romance, comedy and drama are blended into a production which is highly entertaining. The vaudeville part of the program will comprise six high-class acts.

"Are You Legally Married?" Of 128 divorce cases being dealt with at Ottawa, this year, 75 are from Toronto. A few years ago 25 cases a year was the average number in Canada. Indeed the divorce problem, once considered as being something peculiar to the United States, has assumed the startling proportions of a big question right here in our midst. A sensational photodrama dealing in a new and powerful manner with divorce, will be presented at the Strand Theatre the week of August 2. Its title is "Are You Legally Married?" and in dealing with this question it touches the heart of the divorce problem. This vital social theme is treated with virile intensity and the picture will no doubt arouse wide interest.

Regent Next Week. Bringing to the screen of the Regent Theatre the glorious enchanting atmosphere of sunny Dixieland, the photoplay "The Family Honor," will be the feature attraction next week. The romantic history of those old aristocratic families of the south has been made into many a thrilling screen drama, and little incidents in connection with the early days have formed the basis for many a stage play. One of the most fascinating of these stories has been adapted to the screen, where it will be the means of entertaining the patrons of Toronto's leading photoplay theatre. The story concerns the son of one of the old families who becomes impoverished, and who, in the search for wealth, finds adventure in many forms. The production will be more beautiful because of the southern melodies to be rendered by the Famous Regent Orchestra.

Vessella's Band Saturday. A full repertoire of both classical and popular music will be played by Vessella's famous concert band during its week's engagement, starting Saturday afternoon next, at Scarboro Beach. In addition to his ability as a director, Vessella has won fame as a composer, three of his operettas, "The Girl of Girls," "Till for Tat," and "The Road to Mandalay," having won instantaneous success. An added attraction is Miss Annetta Ribecora, who has a very beautiful voice, charming personality, and sings very artistically. There will be two concerts daily.

CARMEN OF WINNIPEG WILL VOTE ON STRIKE. Winnipeg, July 21.—"Are you in favor of a strike to enforce our demands?" This question will be answered by over 1,000 street railway men in Winnipeg on Friday, July 23. Six polls will be established at different places throughout the city.

Late yesterday afternoon when the officials of the men's union notified the company of their rejection of the Myers award a request for a flat increase of 20 per cent. was refused by the company officials.
