MURRAY-KAY COMPANY, LIMITED

AS GREAT FAITH IN PRINTING BUSINESS

"I feel so strongly about this organization that I would rather cancel my fire insurance than cancel our organization," said William J. Eynon, president of the United Typothetae of America, in addressing the Toronto branch of the association yesterday afternoon. Mr. Eynon is also president of the Federal Bank of Washington.

Mr. Eynon expressed great faith in the printing business. Alluding to the fact that some printers attempted to

Invest some of their money outside of their own business, he remarked:

"Very few businesses pay so well. If you make 20 per cent. on your own business it is about as attractive an investment as you have a right to expect."

ADD EIGHTY-ONE TO DOWNTOWN BODY

With the drive teams reporting a total of 81 as a result of the second day's work, at their meeting yesterday afternoon, the total number of members brought into the newly formed Downtown Association was brought up to 191. Col. K. R. Marshall, who handles the team organization, told the men of the many encouraging signs of increasing interest in the purposes of the movement, and said that there was every indi-

cation that the number of members would reach 300 by tonight.

The fact that the present movement is designed to embrace every phase of business in the downtown district, instead of King street only, as formerly, has already elicited a hearty response from many of the larger concerns in this section, who are lending their valuable support to the campaign.

ALLEGED THEFT FROM ROOM-MATE.

Fred Jenkins, Orangeville, was arrested yesterday afternoon by P. C. Skinner upon the charge of theft of a pair of trousers from a roommate at 147 West Richmond street.

CHARGED WITH THEFT BY FORMER PARTNER

Morris Lee, 765 West Dundas street, was arrested yesterday afternoon by Detective Waterhouse upon a charge of theft preferred by Nathan Schmidt, 195 West Adelaide street, an erstwhile partner of the arrested man in a dye business. Lee is charged with stealing a number of dyes in the absence of his partner. The partnership was in process of legal dissolution at the time.

ANOTHER ARREST FOLLOWS TAILORING STORE ROBBERY

Still another member of the gang alleged implicated in the large robbery a few days ago from the Rex Tailoring Co.'s premises, 164 West Queen street, was arrested last night by Detective Tuft in the person of Harry Wilks, 34 Baldwin street, the charge of theft being preferred against him.

THE END OF A PERFECT DAY.

It was a summer evening. The athlete's work was done. He could not start a poker game. Nor could he get a bun. And so he went and got his key: "I think I'll hit the hay," said he.
