KELLEY SAYS CUBS WILL EASILY WIN WORLD'S CHAMPIONSHIP.

PHILADELPHIA, Sept. 22.—"To me it looks as though the world's championship will be won by the Chicago White Sox," said Capt. Joe Kelley of the Red Sox after reading some dope on the prospective outcome of the American League race.

"But after one or the other of these teams wins the American League pennant what has it to show against the Chicago Nationals in either the White Sox or the Highlanders, the Cubs ought not to lose a game. There are real stars on that Cub team, and plenty of them—and they play real baseball. Those other chaps, however they are, will not stand a ghost of a show against Chance's men. See if they do."

National League. At Boston—Pittsburgh, 6; Boston, 0. Second game—Pittsburgh, 5; Boston, 0. Second game—Chicago, 6; New York, 2. Second game—Chicago, 6; New York, 2.

American League. At Chicago—Boston, 1; Chicago, 4. At Cleveland—Philadelphia, 5; Cleveland, 7. At St. Louis—Washington, 2; St. Louis, 9. At Detroit—New York, 4; Detroit, 7.

FOOTBALL

FOUR TEAMS TO PLAY.

A very enthusiastic meeting of the executive of the St. John Rugby Football Union was held in the Canada Permanent building last evening. Considerable important business was transacted, the most important being the admission of Carleton into the league to fill the vacancy caused by Fairville withdrawing.

The meeting was called to order by the president, Aid. Baxter, and the first business taken up was the report of the St. John team, which was to sea about securing the Shamrock grounds. They stated that they had decided not to rent the Shamrock grounds, but were willing to play on the Victoria grounds.

The application of Carleton was then considered and it was decided to admit that team to the league. It was also decided to accept the application of the Victoria grounds and the following schedule was drawn up: Sept. 29—Carleton vs. Marathons; St. Peter's vs. Beavers; Oct. 6—Beavers vs. Marathons; St. Peter's vs. Carleton; Oct. 13—Beavers vs. Marathons; St. Peter's vs. Marathons; Oct. 20—Carleton vs. St. Peter's; Carleton vs. Beavers.

Nov. 27—Marathons vs. Carleton. It was decided to play Saturday's game on the Victoria grounds, with the exception of that on every Sunday, game to be played at the Victoria grounds. It was also decided to play the first game on the Victoria grounds, which is to be between the Marathons and Carleton, to start at 1:30 o'clock.

The boys are all getting down to work in the gymnasium and the Victoria grounds will have practice on the Market Square, Carleton, at 8:30 o'clock, and the Victoria grounds at 8:30 o'clock. The Marathons will practice this afternoon on the Victoria grounds at 8:30 o'clock.

ANSWER TO QUERY. "Reader"—The football rules at present in force in the maritime provinces are those of the English Rugby Football Union. Players are not allowed to use any harness which in the opinion of the referee might prove a menace to other players on the field.

THE TURF

Cincinnati Races. Cincinnati, Sept. 24.—The fifth grand circuit race meeting opened today with a good crowd in attendance. Woodcock, who broke her record at Columbus last week at 2:07, broke the distance in 2:04.

The turf was very quiet today. The favorite, Queen, was the favorite in the second heat, but Byrnes beat her in a hard drive by a head. The final heat was won by Byrnes. Carle made a game effort, but broke going down the rail but, driving Miss Gay, tried to come down on the rail but, in the end, was run into by Country Boy. Both men were broken. Myrtle sustained a broken collar bone, but Cox was unharmed.

Only four horses started in the two year old horse race in straight heats. In the three year old horse race, Governor Francis was an easy winner, strutting home, defeating the favorite, 25 Couer. The track was fast.

Halifax, Sept. 24.—(Special)—The horse racing programme of the exhibition had an auspicious opening this afternoon. Sunday's rain put the track in perfect

Dysentery

IS a form of diarrhoea, and consists of copious and frequent liquid discharges from the bowels, accompanied by painful straining sensations. Dr. Fowler's Extract of Wild Strawberry is a specific for diarrhoea, dysentery, and all summer complaints, and has been a well-known remedy for 60 years. You are not taking a new and untried remedy when you use Dr. Fowler's Extract of Wild Strawberry.

Mrs. M. A. SUMMERFIELD, Canboro, Ont., writes: "I have used Dr. Fowler's Extract of Wild Strawberry in my family for years, and have always found it a wonderful remedy for Diarrhoea and Dysentery. I know of a great many others who have used it with the most satisfactory results."

THE CAREER OF C. R. DEVLIN

In connection with the rumor that Chas. R. Devlin has decided to resign his seat for member in the British commons and re-enter Canadian politics, it is interesting to give this appreciative sketch of that gentleman:

"At the last general election in Canada, a big fight was made to induce Mr. Devlin to become a candidate in his old constituency, but when friends expressed the desire that he should return, his answer was that he could not well leave the Irish party, but he promised that when the general elections would take place in Great Britain he would then be free to return.

"It is said, however, that yielding to the solicitation of Mr. Redmond and his colleagues, he has been accepted, popularly, and as a result was re-elected by acclamation on a visit to Canada.

"A well-informed friend of the man for whom Mr. Devlin has resigned, says that Mr. Devlin made his debut in active political work as long ago as 1872, when he took part in many political contests in the district of Montreal.

"In 1886 the writer was present at a great meeting at Hill when he spoke, and well remembers the effect it produced on the audience. On all sides it was then said that he would be the next member for Ottawa county. In federal and provincial elections in 1888-89-90 in Ottawa, Renfrew, Russell and a number of other counties, he fought hard and victoriously for the party.

"In 1891 he was first elected to the house of commons for the county of Ottawa, winning it for the first time for the Liberal party. Mr. Devlin succeeded the late Alonzo Wright.

"Then from 1891 to 1896 he worked as a menial laborer for the success of the Liberal party. We find his name in the Ontario, Quebec, the maritime provinces. Never once did he say 'No' to the appeal of his political friends and his popularity had become very great.

"In 1896 he was re-elected for the county of Wright, but with sorrow his friends noticed that he had become a Conservative. His health was shattered and he was forced to withdraw.

"Many operations were practiced upon him by eminent surgeons. Senator Sullivan among others, in the hope of saving him.

"In 1897 Mr. Devlin resigned his seat and went to Ireland as Canadian commissioner. His work was unpopular, but with diplomatic skill and tact he worked his way. Everywhere he spoke of Canada and served his country well.

"Mr. Devlin, whether in health or out of health, is a worker. His energy is unbounded. No wonder then that the quiet of an office did not suit his temperament. Early in 1900 he gave up his Dublin home, made the sacrifice of post office of everything, to help his compatriots.

"On the 9th of March, 1903, he was elected by acclamation member of Parliament. He has always taken a prominent part in the Irish debates in the imperial parliament since his election, and has become very popular. His constitutional views have been one of the hardest working members of the party. Mr. Devlin was again elected without opposition to the House of Commons in 1905, and his withdrawal is due to the fact that the heavy expenditure entailed by such a position is beyond his means."
