GIRL FAINTS AS SHE TESTIFIES IN CASE OF MRS. BESSIE PARKER

Gives Man's Name, and Says That He is Out of the City.

Subjected to the terrific strain of telling in open court, under direct and then under cross-examination, facts in the case in which a charge is made against Mrs. Bessie Parker, Miss Annie White fainted dead away, at the conclusion of her evidence at the trial which started before Mr. Justice Chandler in the Circuit Court this morning. The girl was picked up by Deputy Sheriff Armstrong Clifford and a nurse, who accompanied her, and carried into the sheriff's office, where she soon revived. During the giving of her evidence, she was forced to stop several times to wipe the tears from her eyes, and to clear her throat.

Names Man. The details of the girl's evidence all been made public through the preliminary examination. She said the father of her child was William Woodie, a married man who lived in Main street. He was now out of town. His wife had also left the city. She said it was Mrs. Woodie who advised her to go to Mrs. Parker, and that it was from her that she received the \$35 which, it is alleged Mrs. Parker demanded to perform the operation. The girl said that she was seventeen years old and lived with her parents. Dr. E. J. Broderick, Dr. C. M. Kelly, and Dr. Evans, also gave testimony. The jury is as follows: William Crabbie, Frederick W. Logan, Frederick Brookings, David J. Stockford, Harold O. Evans, Ernest Whitebone, John Gillis, James D. McKenzie, Benjamin D. Hamilton, A. S. Merritt, Robert T. Warden and Samuel J. Holder. The case is being continued this afternoon. Dr. W. B. Wallace, K. C., is for the crown and E. S. Ritchie for the defence. Crawford Not Guilty.

The jury yesterday brought in a verdict of not guilty in the case of Thomas Crawford, charged with the killing of Owen McCann, who was struck by an automobile which Crawford was driving. Dr. W. N. Wallace, K. C., appeared for the crown and E. J. Henneberry for the defence.

PLAN FOR SAFETY AT MARKET SQUARE

Commissioners Discuss Raising Platform at Busy Spot.

At a committee meeting of the Common Council this morning tenders were opened for the tearing down of the old Reed building in Water street, which is owned by the city and was formerly occupied by T. McAvity & Sons and still later by the Memorial Workshops. Only two tenders were received, one from John Flood & Sons, Ltd., for \$250, and the other from Fred E. Steans for \$28. The former submitted a check with the tender for \$310, while the latter enclosed a check for \$25. On motion, the awarding of the contract to the Commissioner of Harbors and Ferries to report back. Under the terms of the tender, work must be started by September 30 and be completed by November 15. The question of erecting a raised platform in Market Square for the safety and convenience of citizens using the street cars was brought up by Commissioner Frink, who explained that he would like to get some expressions of opinion. He said he was convinced that some measure should be taken to safeguard citizens, but if it was decided to erect this stand he would like it to be taken care of under incidental, as he would not like to extend the bond issue for the present work. Commissioner Thornton said it was absolutely necessary to erect a platform where passengers could stand with safety. He suggested one to accommodate 40 to 50 people. He also spoke about a crossing for pedestrian traffic and suggested that two lines be painted near the Robinson building and do away with the present habit of crossing the square from the Horton building. In answer to Commissioner Frink, who said there would be an uproar if this was adopted, he said it was for the benefit of the public, and they were trying to devise ways and means to protect them. Commissioner Bullock suggested a covered shelter, and felt that the Street Railway should be asked to cooperate. It was decided to go to the square and look into the situation. Mayor Fisher said that he had received from the secretary of the Board of Trade a communication received from Mr. O'Hara, Deputy Minister of Trade and Commerce, with reference to city advertising. The matter was left in the hands of the Mayor, with power to act. The question of the bill from the N. B. Hydro Commission for \$40,000 was again taken up. Extracts were read from a report by the city solicitor in which he advised that the city pay from the time they commenced to use their power, which was on July 29. Commissioners Thornton, Frink and Wigmore all favored following the instructions of the city solicitor, saying that they did not think they should do anything other than advised by him. It was announced that the matter would be dealt with at the next meeting of the council.

SEND 'EM IN.

FORMER OFFICER OF 26TH MARRIED Capt. W. H. Carling, M. C., Weds Miss McCarthy at Montreal.

Many former members of the 26th Battalion, as well as the other battalions of the 5th Canadian Infantry Brigade, will be interested in the announcement of the wedding of Captain W. H. Carling, M. C., which took place in the Archbishop's Palace, Montreal, on September 25. His bride was Miss Ursula Grace, daughter of the late Dr. J. G. McCarthy and of Mrs. McCarthy. Captain Carling is a native of London, Ont., but served for some time in France with the New Brunswick battalion, the 26th. He was awarded the M. C. during the battle of the Somme in 1916. HALF HOLIDAY PROPOSED FOR DRY DOCK DAY

Mayor to Take Up Matter of City's Part in the Big Occasion.

Asking for the support and co-operation of the commissioners and expressing a hope that they might see their way clear to proclaim a half holiday on the occasion of the official opening of the dry dock on October 29, a letter was received from Manager Frank M. Ross, of the St. John Drydock & Shipbuilding Company, and read by Mayor Fisher at a committee meeting of the Common Council this morning. The writer explained that His Excellency the Governor General would officiate at the opening, and that a luncheon would be prepared for 200 or 250 prominent people, and if the members of the council wished to invite any guests they would be heartily welcomed.

That the city would derive great benefits from the publicity which would mark the big event, was a feature pointed out by Mr. Ross. He explained that every effort was being made to make the opening a notable success and he felt that proclaiming a half holiday for the occasion would materially help. Mayor Fisher explained that some business men had recently called on him and suggested the formation of a committee to ascertain details regarding the program and to determine whether or not the city would take in it. He said it was in order to have this committee formed, but did not feel the assumption of responsibility. Commissioner Wigmore moved that the matter be left in the hands of the Mayor with power to act and this carried. The Mayor then announced that he would call a meeting early next week, probably on Wednesday.

MANY TRIBUTES TO MR. GOLDING

In many ways, since the death of John N. Golding, has the sympathy of the family, friends and the community in general been shown to those bereaved. Many telegrams and cards bearing messages of condolence have been received, hundreds of friends have called to give verbal expression to their feelings of sorrow and sympathy, a great number of floral tributes were sent, and at the funeral this afternoon a large number assembled.

The funeral was held at 2:30 o'clock from the residence of W. H. Golding, Sydney street. Impressive services were conducted by Rev. James Dunlop, pastor of Central Baptist church, who also read the commitment service at the grave in the family lot in Fernhill. At the home service a small choir from the church, under direction of Miss Beryl Blanch, organist, sang appropriate hymns. The casket was borne by sons and grandsons of Mr. Golding.

The floral pieces were of great number and exceptional beauty. Outstanding among them were a large wreath and pedestal from the Imperial Theatre employees here, set pieces from the executive heads of the Keith interests in New York—a cross from E. F. Albee, president; wreaths from E. G. Lauder, executive general manager, and H. L. Watkins, general superintendent—an open ledger with rulings showing the balanced account, from J. & A. McMillan, with whom Mr. Golding was a valued employee for half a century; floral remembrances from film agencies in the city, and many pieces from personal friends in New York, Montreal and St. John.
