> BURNED ALIVE FOR DESPOILING CHURCH Avezzano, Italy, Jan. 1-Francesco

Tomei last night met death at the hands of infuriated townspeople, after he had been caught stealing relics of martyred saints, patrons of Avezzano, cover that there are many expert milkers in Washington, notwithstanding that most of them never have practiced on a cow.—Exchange.

martyred saints, patrons of Avez. from a church.

He was badly beaten, tramped to and then saturated with gasolene burned alive.

Performs 45,000 **Appendicitis Operation** Berlin Doctor Retires After Operating 32 Y

Dr. Joseph Rotter ,a noted German specialist, has retired after having periformed 45,000 operations for appendicitis, according to newspaper reports.

A Treacherous Disease.

Appendicitis attacks at any moment even persons seemingly in good health, you will be a seem of the system of the great amount of poisons alled stomach trouble, constipation or similar disturbances. Often when there is a warning feeling of uneasiness in the bdomen, appendicitis can be guarded gainst in the same manner in which ne guards against the spread of throat iffection, because that is just what appendicit. A A Treacherous Disease.

Appendicitis attacks at any moment even persons seemingly in good health. Usually, however, it is preceded by socalled stomach trouble, constipation or called stomach trouble, constipation or similar disturbances. Often when there is a warning feeling of uneasiness in the abdomen, appendicitis can be guarded against in the same manner in which one guards against the spread of throat one guards against the spread of throat one guards against the spread of throat one spreading to the appendix. When in the spreading to the appendix. When one has sore throat, one can often prevent further trouble by using an antiseptic wash or gargle to fight the germs and a laxative to carry off the poisons the first of the great amount of poison Adlerika draws from the canal—matter you never thor your system. Try it right and and social for the first of of an intestinal antiseptic and a PLETE system cleanser. This preparation, known as Adlerika, acts as follows:

It tends to eliminate or destroy harming the litter of the
