Western Horses. Edmonton, Alta., March 2.—That there is a real market in Ontario for the underbred horses of the Alberta ranches is the good word from Walter Harland Smith, manager of the horse department of the Union Stockyards, Toronto, who is in the west looking into possible supply. It is the horse under 1,200 pounds, which is so common on the plains of this province and which is so undesirable from a breeding standpoint, that is wanted.

WHITEL COLLAR WORKERS. NEWARK, N. J., March 1.—Clerical workers and "white collar" men in general are not getting married these days, according to City Clerk Egan, in charge of the marriage bureau. The proportion is about one out of a hundred licenses granted. Of the last twenty applicants for licenses not one was a clerk. This, he believes, showed the need of the "middle class" for an increase in income.
