

## GALA RECEPTION FOR MISS CANADA

Halifax Will Provide Fitting Welcome for Miss Blair of St. John.

(Halifax Echo.)

That "Miss Canada," Miss Winifred Blair of St. John, will be in Halifax on Friday, March 2nd and Saturday, March 3rd is now an assured fact and that Halifax will turn out to welcome the reigning queen of "Our Lady of the Snows" is more than amply evidenced by the numerous inquiries already being made about the proposed visit of the dainty little lady who so recently became famous. "Miss Canada" is being brought to Halifax under the auspices of the Crescent A. A. C. and the Gyro Club and the events in her honor will be conducted under the auspices of these clubs and under the distinguished patronage of His Honor the Lieutenant Governor, the Premier of Nova Scotia and the Mayor of Halifax.

The committee in charge of the arrangements for the entertainment of "Miss Canada" is composed of representatives from the Crescents and Gyro with Mrs. Girvan in the chair. This committee, given below, can well be entrusted with the task and, with the help of the citizens of Halifax, so ready to bestow honor upon its rightful recipient, "Miss Canada" will have cause to remember her stay amid the environs of "The Warden of the North."

The committee is as follows: Mrs. E. Girvan, Pres. P. C. Neville, Crescents; Pres. Halliburton, Gyro; M. P. Martin, Crescents; Dr. Cyril Elliott, Gyro; J. Gordon Quigley, Crescents; P. Homer Zwickler, Gyro. The entertainments already arranged for "Miss Canada" take the form of public social functions. On Friday night she will attend a moose dance at the Arena rink in company "Miss Halifax" and possibly "Miss Moncton." This dance will be held on the ice at the Arena and rubbers, overcoats, moosecasses, with sport costumes, or ordinary dress, will be in order. Miss Canada will appear in one of her sport costumes worn by her at Montreal where she received her crown. On Saturday night she will be at the Auditorium attending a ball given by the Gyro Club. Other entertainments will be arranged. The time of her arrival in Halifax will also be announced later as it is well known that many people wish to be on hand to meet the train and demonstrate that Halifax well knows the proper and fitting manner to welcome so distinguished a visitor.

A letter showing the German spirit of hope that the world is all friendly to it was received recently by Hugh McCavour, of the St. John Rowing Club, from a rowing club on the Dan-

ube River. The letter is begging for help from this rowing club to carry on a Silver Jubilee regatta on July 19. The help requested is not advice but quarters in Montreal. He is well known in Canadian railway circles, having been appointed resident vice-president of the Delaware and Hudson Company with headquarters in Montreal.
