ARE PLANNING MANUFACTURE IN SAINT JOHN

Canadian Wirebound Boxes, Ltd. Are Negotiating in Matter.

MAKE FOR MARITIMES AND WEST INDIES

Vice-President A. J. Deplante Is Coming Here Soon.

Negotiations are being carried on for another important industry for Saint John. The Canadian Wirebound Boxes Ltd. is contemplating building a factory here with employment for quite a large number of men.

The company is at present manufacturing in Montreal and Toronto, where their factories occupy over three acres of space. The idea in coming to Saint John is to manufacture for the needs of the shippers of the Maritime Provinces and also for export to the West Indies.

The boxes they manufacture are made of veneer, imported from the United States, and laced with wire. They have ends and corners of hard wood. The hard wood will be secured locally and the wire can be secured also in the city from firms manufacturing it here.

A. J. Deplante is vice-president of the company and he is coming to Saint John soon in connection with the project of manufacturing here. The company has sales offices here and in Toronto, Montreal, Hamilton and London, Ont.

62 Day; 72 Night.

The rate paid by the companies will be 62 cents an hour for day work and 72 cents for night work, with a special rate for men handling grain, nitrate, bulk sulphur and china clay of 77 cents an hour for day and 87 cents for night work. The working day will be ten hours and Sunday work will be paid for at double rates. It is said the agreement will be signed by representatives of the 'longshoremen and the companies on Monday next, it was stated.

J. M. BENNETT DEAD IN MANCHESTER

Was Contractor and Builder in Saint John Thirty-five Years Ago.

Word of the death of Joseph M. Bennett, in Manchester, N. H. Mr. Bennett will be remembered by some of the older inhabitants of Saint John, he having been a contractor and builder in this city some 35 years ago. He leaves three sons, Edward L. of Lawrence, Mass., William of Los Angeles, Cal., and Frank of Chicago, and three daughters, Mrs. Carr and Mrs. Howe of Manchester and Mrs. Davis of Boston. Pilgrimage To Hotel Opening Discussed

The proposed pilgrimage of members of the Canadian Club at Boston to the opening of the Admiral Beatty hotel here in June is being considered by the club members, according to Edgar W. Campbell, who arrived home after attending the automobile show there. He was a guest at the Canadian Club luncheon and found the members discussing the opening of the Beatty.

They wanted to know what date had been set and favored the idea of the members attending in a body.

Mr. Campbell said that W. J. Gilkerson, general passenger agent of the Grand Trunk, attended the luncheon and told the members the railway would gladly co-operate if such a pilgrimage was decided on.

Hope To Send Sisters Home

"A very sad case, indeed," was Magistrate Henderson's comment in the police court this morning when two young girls, Alice and Ruth Stevenson, sisters, appeared before him on a charge of being loose, idle persons, with no visible means of support. They told the magistrate their home was in Nova Scotia. After hearing the evidence against them, as given by Detective Biddiscombe, His Honor gave instructions to get in touch with relatives with a view to having them sent back to their home.

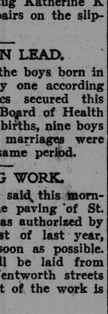
Hiram on Tour



MONTREAL, March 18.—Well, sir—you kin win an' lose more money in the smokin' car than most of us ever seen—without ever puttin' up a cent. We was comin' down from Sudbury—an' three fellers from that town got talkin' about minin' shares. Out to Winnipeg everybody talked wheat—an' a lot of 'em speculated in it jist afore they hed a bad spell. Up to Sudbury they talk nickel an' gold an' things like that. I sot there an' listened to these fellers tell how much they made or lost on Lorraine—an' Vipond—an' a lot more names that was all noo to me—an' how they might 'ave made a pile but jist didn't git in at the right time or held on too long—an' they told what they thought o' this or that stock—an' what mines was goin' to turn out big—an' so on fer hours. I never said a word. Even Hanner don't know I went minin' on spec. one time when things was boomin' in Colorado—an' dropped two dollars an' a half. That settled it fer me. I jined an anti-gamblin' club after that, an' I do my own minin' in the potater patch out to The Settlement. But it beats all how many ways they is o' chasin' the nimble dollar in different parts o' this country—yes, sir.
