The carpet in the barbers rooms in Parliament building has been removed and a very handsome linoleum put down in its place.

FIRST EDITION. INDIAN SIGNAL FIRES.

A GENERAL UPRISING AMONG THE CHEYENNES THREATENED.

Businessmen bringing their families into the Fort-Indian during the winter season have been made to feel the force of the Cheyenne signal fires. A general uprising among the Cheyennes is threatened. Helena, Mont., June 11.—Gov. Toole this morning received a dispatch signed by 10 prominent citizens of Fort Union, requesting that he send 1000 stand of arms and ammunition. In reply, arms and ammunition were sent forward last night. The Cheyennes have left their regular camps and are gathering in small camps of from 15 to 25, and are firing at settlers' houses and making the most threatening demonstration. Businessmen have been bringing their families into the settlement all day. Cattle are being shot down by the Indians through pure malice. A troop of cavalry and two of infantry have been sent from Fort Keogh to the Cheyenne agency. All winter the Indians were running cattle and horses off, and boasting that any white man who informed on them would be killed. The interior department has been appealed to time and again, by the settlers of eastern Montana to remove this menacing tribe of fighting Indians, but in vain. May 6 last Robert Ferguson, former for Ramsey & Freeman, stockman at Rosebud, left the ranch to look for stray horses, intending to return the same night, but he did not return. His only son was found yesterday morning, after which the Chicago and Calumet railroad has been purchased by the Northern Pacific road to be consolidated with the Chicago and Great Western.

The boy's father and mother were engaged in a quarrel and the father threatened to kill the mother when the boy rushed into the room and shot his father in the breast. The trouble between Warren and his wife was caused by James G. Warren, a negro, aged 18, charged with criminal assault on a young white girl, yesterday. The body was not found until yesterday. New Orleans, June 12.—Senator Pugh and other members of the legislature were summoned before the grand jury at East Baton Rouge yesterday on charges of bribery in connection with the lottery bill. The investigation will be pushed by the anti-lottery men.

THIRD EDITION. TWELVE LASHES (?)

THOSE WHO ASSEMBLED IN THE JAIL CORRIDOR WITNESSED A FARB.

Albert Morgan Receives a Limited Pardon. In the upper corridor of the jail this afternoon, the deputy sheriff, James Christie, the jail turnkeys, and two police officers and several newspaper men assembled to witness the carrying out of a portion of the sentence imposed upon Albert Morgan for indecent assault upon a girl named Blanche Logan at Sand Cove—viz. lashes on the bare back. The prisoner Morgan who was secured to the wall by the iron grating, showed very nervous symptoms, and from the strap he had no need to just at 3.30 the assembled newspaper men were requested to retire to the work shop for a moment. In the meantime a muffled figure, doubtless one of the jail prisoners, was subjected to the lash and given the instrument of torture—a short handled affair with six stiff whips, cords knotted at the end. The lash elicited a low cry of pain from the delinquent and drew those in the private apartment into the corridor again. The rest of the whipping was a farce, nearly so, as the lash was just drawn across Morgan's back a mark was raised, and as for drawing blood, there was not the slightest sign of blood. The audience created a deep impression as the case, and Messrs. Clifford and Macaulay manifested the interest, and put him once more into his cell.

THE PUBLIC LIBRARY. The annual report of the Committee on the Public Library was presented to the council this afternoon. The report states that since the 1st of June, 1889, when the work of the library was taken over by a steady and rapid progress not only in the extension and improvement of the library but also in its growth in number. This position is owing in a great measure to the uniform support which they have uniformly received from your honorable body and the citizens generally, who they may be continued as long as it is merited. The report mentions the additions to the library during the year, which includes a number of permanent volumes donated by Simon Jones, Joseph Allen, and James J. Fallick. Special efforts have been made to procure Canadian publications and historical works of value to the province. The library is now open only three days in the week. On and after July 1st its doors will be opened every day except Sunday and legal holidays. The two books which were appropriated for those who desire to study the works of reference in the library, and to which the committee have already referred, there is a most beautiful and varied supply. As the season of their disposal increases they also hope to be able to purchase a number of new books. In previous reports the need of a separate building as a home for the library has been mentioned. It is a hope they long to see realized and they desire to keep it prominently and constantly before the public mind. The committee desire to call attention to the fact that the library is now open only three days in the week. On and after July 1st its doors will be opened every day except Sunday and legal holidays.
