Newfoundlanders Helping Out

It is with pleasure we publish the appended financial statement of the "Newfoundland Patriotic Association of Boston and vicinity," and note that the handsome sum of \$451.50 has been forwarded to and acknowledged by John S. Munn, Esq., Hon. Treas. of the Newfoundland Patriotic Fund.

Having been present at several of the meetings and taken an active, though unpretentious part in organizing the association, we are thoroughly conversant with the difficulties it had to contend with, being hampered by inability and disinterestedness on the part of some prominent members whose ambition seemed to be to gain fame and a name for themselves at the expense of humane efforts of others.

We are pleased to learn that the association has rectified these mistakes and feel confident that their work in the future will meet with abundant success.

The object of the Association is "to raise funds to provide hospital supplies and other Red Cross necessities, for our wounded soldiers and sailors at the front," the money raised to be forwarded to the Newfoundland Patriotic Fund.

The following officers have been elected for the ensuing year: John Bennett, President; Moses Fox, Secretary; George Tapp, Asst. Secretary; Denis Walsh, Treasurer; Executive Committee: H. A. Rendell, Chairman; Robert Davis, George Suter and Edward J. Walker.

The following financial statement is herewith appended, ending June 26, 1916.

Published by order of the Executive Committee

MOSES FOX, Secretary.

Boston, Mass., June 26, 1916.

Mr. H. C. Thomson, of Fog Free Zone fame and the carriage of fresh codfish in refrigerator cars and ferry to the markets of the United States and Canada, is visiting Newfoundland.

Miss J. Batstone, of English Harbor, T. B., who was visiting friends at Coley's Point for the past three weeks, returned home by Thursday's express.

At Harbor Grace

On Sunday afternoon last it was our privilege to accompany Rev. Mr. Higgett, of St. Paul's Church, on a visit to Harbor Grace Island where he went for the purpose of visiting his parishioners who reside there during the fishing season. A short service was held on the green, and the very gentlemen delivered a brief but very impressive address on the subject of "Intercession," in which he urged upon his hearers to help our soldiers and sailors who are fighting the Boer's battles, by praying for them daily. Mr. Higgett is becoming very popular with his congregation, and, we believe, he will be very successful in bringing the members of the parish to closer touch with the services of the church. We hope to see him at Bay Roberts occasionally.

St. Paul's Church is now undergoing extensive repairs. The south west end is being removed, and the north end, clear round to the north east corner, is to be pointed. The east end of the chancel is to have a cement casing of considerable thickness put over it, and probably some concrete pillars underneath the foundation. The work is being done under the direction of Mr. John Davey, of the firm of Davey Bros., builders St. John's, which fact is itself a guarantee that the work will be thoroughly done.
