SAN FRANCISCO, Jan. 12—Patrick Calhoun, Francisco, Jan. 11—The Americans on board were greeted in the most cordial manner by the authorities and the people and who expressed great gratitude for American generosity.

Around the city this morning when the authorities and the people, and who expressed great gratitude for American generosity.

MESSINA, Jan. 12—The bodies of made no secret of the fact that they could not deal.

Around the city this morning when the authorities and the people, and who expressed great gratitude for American generosity.

MESSINA, Jan. 12—The bodies of made no secret of the fact that they Turkish Grand Vizier has informed him of the acceptance by the Turkish government of the Austro-Hungarian proposals for a settlement of the disputes over Bosnia and Herzegovina. This direct arrangement between the ed to think that the case is one of at-tempted suicide. After some search the revolver, which was at first reported nissing, was found near the scene of the shooting with one chamber empty. The weapon was of 38 calibre. It had been discharged at such close range that it had ignited the wounded man's clothing, which was smouldering when he was found

When the police examined the let ters and newspaper clippings found or Hilliard's person, it was learned that Hilliard's person, it was learned that he had been a guest of the Duke of Newcastie at Hot Springs, Ark, and also at New Orleans. One letter was a notice from the office of J. Pierpont Morgan and Co., notifying Hilliard that there was twenty pounds sterling credit at that office received from the

London agents of the firm, Coutts and HARTFORD, Conn., Jan. 12—The Rev. Charles E. Stowe, in a speech have last night before a church club, said his mother, Harriet Beecher Stowe, received the idea of "Uncle Tom's Cabin" in a vision which she had in church, in which she saw clearly depicted the pathetic death of old Uncle Tom. He said his mother began the story with this scene, writing the book backwaras.

In a recent court case it was shown that Mrs. Stowe's sister, Mrs. Isabella Beecher Hooker, held communication with spirits concerning her will and the phases of her every day life.
