F. B. CONFERENCE.

Reception of Delegates From Nova Scotia and the United

States.

An Evening Session Devoted to Sunday Schools—The Sabbath Services -Will Meet Next Year at Millstream, Kings Co.

WATERVILLE, Oct. 11 .- The delegate from the Nova Scotia conference, Rev. A. M. McNinch, was introduced and expressed the pleasure his conference had in receiving the representatives of this conference, Rev. Henry Perry and Rev. Dr. McLeod. and also his own pleasure in being present after an absence of eight years. He said their condition was about the same as ours-plenty of work and few workers, and urged more friendliness than had hitherto been. On motion of Rev. Dr. McLeod, Rev. Mr. McNinch was invited to a seat with the conference.

Rev. Dr. Mosher of Boston, president of the general conference of Free Baptists of the United States, was then introduced. He said as a boy he thought coming to this province was coming to a foreign country, but he was glad to have learned since that it was no more foreign in democracy and freedom and friendliness and all things of that kind than one state was foreign to another state of his own coun try. He brought the fraternal greet ings of the Free Baptists of the United States. He extended again the invita-tion which had been made and declined last year, that this conference unite with the United States Free Bantists, as had been done by the Fre Baptists of Nova Scotia.
