MONCTON, Aug. 2 .- Word has been received in the city, in the form of a telegram, which arrived this afternoon, of the death in Fort William, Ont., of George Small, a former Moncton boy, who met with a fatal accident, the de-tails of which have not yet been rewho het with a failt accluent, the de-tails of which have not yet been re-ceived. The young man was a brake-man with the C. P. R., and it is sup-posed that he was killed while shunt-ing near Fort William. He was twen-ty-eight years of age, and a son of George Small of this city. The body will be forwarded and buried here. District Acadia grand lodge, I. O. O. F., Manchester Unity, met this morn-ing, and its sessions concluded this af-ternoon. The business now occupying the gathering is strictly routine in character, consisting of conferring de-grees and receiving reports. A dinner this evaning concluded the proceedings. At the Grand Lodge, Grand Encamp-ment and the Rebekah Assembly of the I. O. O. F., which meets in Sydney, C. B., from the sixth to the tenth of the present month, a number of important I. O. O. F., which meets in Sydney, C. B., from the sixth to the tenth of the present month, a number of important changes in the constitution of the Grand Lodge will be brought up for discussion. The Sovereign Grand Lodge of this order meets in Toronto in September, and it is expected that a large number of delegates will go from the maritime provinces. Representa-tives for this session will be elected at Evdney.

tives for this session will be elected at **Bydney.** At Shediac yesterday, before Magis-trate McGueen, Patrick Foray of Cape Bauld, gave recognition for his ap-pearance at the next session of the circuit court, on the charge of an at-tempted original assault. The com-plainant in the case was Mrs. James Cormier, also of Cape Bauld. W. A. Russell appeared for the prosecution, Messrs W. B. Chandler and E. R. McDonald for the defense. Mr. Richard Thomas, secentary to District Superintendent G. M. Jarvis, has been appointed to a position with the chief engineer of the Grand Trunk Pacific Co. The appointment is an important one.

Important one.

HARCOURT.

HARCOURT, Aug. 2.-Of the eleven students of this superior school who tried the entrance examinations this

tried the entrance examinations this year eight have passed, two failed to enter and one is to hear from. Melvin Dickle came home yesterday from Somerset, Maine. Angus Baldwin has gone to Boston. Last night nine of Grangeville Sons of Temperance and one of Harcourt held a temperance meeting at Clair-ville. Twelve names there have been scurd for a divison, which will be or-ganized in the near future. Also nent hall would would not accomm late the many thousands who we hally wish to see the hippodrome tertainment. Mr. Spencer has had two ideas in this connection which would positively solve the difficulty. One was to utilize the drill hall for the hipganized in the near future. Also enough names have been got for a l'ivision at Ford's Mills.

Mr, and Mrs. John MacLeod of Concord, N. H., returned home today, tak-ing with them the former's brother, Benjamin B. Mr. MacLeod is assistant superintendent of the Concord elec-tric light works, and the younger man will probably engage in the same busi-ness. He had just successfully taken the Normal School entrance examination for second class.

hanging himself in his barn. Upon enquiry among relatives of the de-ceased in this city yesterday the eport was verified. Mr. Henderson was a man of about 40 years and not nome in Waterville of typhoid fever, contracted at Jersey City, where he had been living. His mother brought him home, hoping that loving care arried. He was living with his other and working her farm. He vent out to working her farm. He event out to work as usual on Satur-ay morning, and about 11 o'clock his mother, who is a very elderly lady, vent out to the barn to call him to ourial took place at Kentville. A sturgeon weighing nearly 100 lbs. was captured on the Avon beach on Wednesday by Capt. Wm. Falkner. inner. After shouting a number of mes for her son she looked up and sheld him hanging over her head, Wednesday by Capt. Wm. Faikner. This is the first appearance of that kind in these waters. uspended by a rope from a rafter in he barn. After the horrified woman overed from her shock she spread the news among her neighbors. When the body was taken down it was found that life was extinct. Mr. Henderson has been in poor health for some years and has suffer-ed much from Bright's disease. Re-cently he has had spells of days out of his right mind, and during these times he would see strange sights in the Heavens and acted in a manner that caused his friends not a little alarm. Mr. Henderson has three nieces working in this city. The youngest one, who had lived with her uncle and her grandmother at Belleisle Creek read the news among her neighbors hen the body was taken down it

The two level headed and capable children deserve the highest honors the

Humane Society can bestow because

they have shown conspicuously the value of the advice that everybody

should learn to swim and learn early.

A PHYSICAL CONSCIENCE.

Towne-Luschmann has reformed at

Towne-His conscience was touched

Browne-That's what he claims, but

ast; I hear. Browne—So it seems.

think it was his liver.

nally, eh?

I shall be glad to h is accepted, and to h information of your subject, and am, my Tour
