Scholarships and Prizes.

The Alumni Society of Mt. Allison offers two Scholarships of $25.00 each, one in Classics and the other in Mathematics, to the student in each who obtains the highest aggregate of marks at examinations and in class standing.

J. Wesley Smith, of Halifax, has given $25 to be given as prizes. Of this, $20 is divided between the two highest in the Commercial Department, and $5 is given as a prize for the best essays and recitations throughout the year.

Charles Pickard, Esq., of Sackville, gives a prize of $10 to the student who obtains the highest average in all his studies and deportment throughout the year.

These were awarded in June to the following :

Scholarship in Classics—Stafford Harvie, Avondale, N. S.
      "   *in Mathematics*—Jonathan E. Jay, Mt. Stewart, P. E. I.
Commercial Department—Percy Humphrey, Hampton, N. B.
      "   "   —Elbridge D. King, Tryon, P. E. I.
The last two were equal.

Elocution and Composition—Thane M. Jones, Woodstock, N. B.
General Proficiency—Jonathan E. Jay, Mt. Stewart, P. E. I.

The Alumni Scholarships are given only on condition that the winners come back and attend Mount Allison University.

Special Features.

1. A large building beautifully situated, warmed with hot water radiators, always comfortable.

2. Good airy rooms with single beds, never more than two in a room.

3. Sanitary conditions good, the health of all carefully looked after. A most kind and attentive matron to wait on boys if any should be sick.

4. Good moral and social influences.

5. Good quality and variety in the Dining Hall.

6. Thorough Education by the best methods.
