Hon. Mr. Morrissy in reply to Mr. Copys inquiry, said: Q.-How much money was expended on the public highways in the County of Westmorland, between the first day of April, 1908 and the 10th day of May in the same year? A.-It would be impossible for the Department to answer this question correctly. The Board of Works De-partment is sulling to give what in-formation it has in its power in refer-mence to any expenditures made under tus supervision. But to answer this question collectively we would have to correspond with all the road sup-printendents in Westmorland county. Q.-Under whose supervision and mpou what roads was such work down?
