MT. A. GRADUATES IN PLEASING RECITALS

Attractive Programmes Rendered by Graduates in Departments of Music and Oratory in Beethoven Hall.

Sackville, May 9.—On Friday, May 5th, the graduating recital of Miss Marion Reid, Riverside, N. B., and Miss Louise Abbott, Bathurst, N. B., took place in Beethoven Hall. The recital was one of the most attractive and successful of the term. In her piano numbers Miss Reid showed brilliant technique and fine temperament. She played her Chopin Valse with ease and grace, and showed sympathetic feeling in her interpretation of "By Moonlight." Her last number, Waltz from Faust, was given with much spirit and abandon.

Miss Abbott gave her selections in an attractive and unaffected manner. She showed exceptional skill in the rendering of her humorous numbers; the "Sweet Girl Graduate" and "My Rival" being especially pleasing. Her best number, perhaps, was "The Lance of Kanana," in which the interest was extremely well sustained throughout.

The graduates were assisted by Miss Ethel Bond, soprano, whose sweet expressive voice was heard to good advantage, especially in her last number "Let Us Forget."

The recital given on Tuesday, May 9th, by Miss Carrie Spurr, of Torbrook Mines, and Miss Ruth Hart, of Halifax, was equally gratifying. Miss Spurr, who is the gold medalist of her class, carried through her difficult programme in a very commendable manner. She has a fine technique which showed to splendid advantage in her scale passages, which were full clearcut and yet daintily delicate. The Allegretto movement from the Beethoven Sonata, Op. 31, No. 3, and the Chopin Nocturne, Op. 55, were perhaps her most successful selections.

Miss Hart is a young reader who shows splendid possibilities for the future. Her humorous selections, "By the Grace of Sarah Maud" and "A Day Off," were charmingly delightful; but Miss Hart appeared at her best in her last selection, "The Soul of the Violin." The pathos of the story, so touchingly presented, called forth and held the sympathy of her audience from the very beginning.

Earle Spicer, baritone, assisted the graduates and sang two numbers in his usual attractive and masterful manner.

Prof. Horsfall and Miss Mitchell, the directors of the Piano and Oratory departments, should feel delighted with the result of their work.

Even to the lungs goes the healing vapor of Catarrhozone—all through the bronchial tubes, nostrils and air passages—every where a trace of disease remains will Catarrhozone follow. You'll not have colds, nor will you suffer from sniffles, bronchitis or throat trouble if Catarrhozone is used. Get it today. 25 cts. and $1.00 at all dealers.

HOUSE DESTROYED BY FIRE AT APOHAQUI.

Special to The Standard.

Apohaqui, May 10.—A fire which originated through the explosion of a lamp in a poultry brooder, destroyed the residence of Mrs. T. M. Armstrong about three miles west of here yesterday afternoon. It is believed that very little of the furniture was saved as the wind which was blowing at the time made it very difficult to fight the flames. There was no insurance on the property.

Isaac Gaunce, who had his foot amputated as the result of an accident at Hampton last week, was removed to his home in Carsonville yesterday.

N. S. ELECTIONS JUNE 74th.

Halifax, May 10.—The local legislature has been dissolved and the date of the general elections is fixed for June 14th; nominations one week earlier. The legislature just dissolved was elected June 20, 1906.

PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the sewers of the body—bowels, kidneys and skin ducts—get clogged up, the blood quickly becomes impure and frequently sores break out over the body. The way to heal them, as Mr. Richard Wilson, who lives near London, Ont., found, is to purify the blood. He writes:

"For some time I had been in a low, depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin. I tried medicine for the blood and used many kinds of ointments, but without satisfactory results. What was wanted was a thorough cleansing of the blood, and I looked about in vain for some medicine that would accomplish this.

At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always have a place in my home and are looked upon as the family remedy."

Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all dealers at 25c a box. 6

BROKEN-DOWN NERVES

HOPELESS CONDITION CURED BY "FRUIT-A-TIVES"

Milford Haven, Ont., Aug. 20th, 1910. "I was a complete invalid, three years ago, with Stomach Trouble, Constipation and broken-down nerves. I could not sleep at night and my doctor did me very little good. I was almost helpless until I began to take "Fruit-a-tives" in small doses. I have taken about three dozen boxes in all and, Thank God, today I am well and strong—able to do my own work—and have a baby fifteen months old, and six children in all.

I would not be without "Fruit-a-tives" in the house, and I can highly recommend them to anyone suffering as I did."

MRS. D. GUINEY.

Nervousness is not a disease in itself, but is the result of some of the vital organs becoming diseased. In Mrs. Guiney's case, her nervous condition was caused by a very weak stomach and torpid liver. "Fruit-a-tives" strengthened her stomach—helped digestion—made the liver active—and cured Constipation. Then her nerves became well.

If your nerves are "all unstrung," take "Fruit-a-tives." 50c. a box, 6 for $2.50, or trial size 25c. At all dealers, or from Fruit-a-tives Limited, Ottawa.

HISTORIC OLD CHURCH AT HIGHFIELD BURNED

St. John's Episcopal Church Burned and Several Houses Threatened with Distruction —Fires Now Under Control.

Highfield, N. B., May 9.—Fanned by a terrific gale, a fire, originating near Annidale Station on the Central Ry., swept with appalling suddeness and intensity upon the little hamlet of Highfield yesterday. It soon had St. John's Episcopal church in its fiery embrace, and rushing over the dry grass fields, surrounded the buildings owned by Mrs. T. H. Pearson, Coun. A. H. G. Vradenburg, Jas. Sproul, merchant, and Fred J. Pearson, and which were in great danger of being destroyed. But the inhabitants of Highfield and Pearsonville responded and by strenuous efforts succeeded in saving these buildings and others, including the hall. About 18 men from Goshen hastened to the scene and rendered valuable aid in assisting to set back fires to check the force of the fire.

St. John's church, one of the oldest buildings in the place, was erected by the early settlers and was much revered. The loss of this church will be very much felt by the inhabitants of this place.

Another fire, thought to have started from the train on the Central Ry., near Salmondale, about the same time and running parallel with the fire through Cornwall, swept into the lower end of Highfield threatening the rectory and other buildings in that vicinity and making it necessary for the men to lend their aid. The fires are now under complete control.

A telephone message announcing the serious illness of Walter H. Pearson came to hand on Sunday night. His mother has gone to Moncton to attend him.

Mrs. James Sproul has just received a message announcing the serious illness of her brother, Wallace Parks, of St. Martins.

PORTAGE VALE.

Portage Vale, May 9.—During the past week stream driving has been at its best. R. C. McQuinn, manager for the McQuinn Lumber Co., finished one of their drives. Purtle Gashen, is bringing another drive. When all the lumber is in there will be a cut of about 2,000,000 feet. Smith and Brooks have started sawing.

Alfred Dunfield and son have sold their farm which contains a large gravel pit from which the Dominion government gets ballast for the I. C. R.

Dunfield and Son, have bought the Warren McQuinn farm at South Branch to which place they have moved. Their friends wish them success in their new home.

Alex. McAnespy is very ill with pneumonia and bronchitis.

Miss Keith, Corn Hill, was visiting at Spencer Dunfield's last week.

James Gray, of South Branch, while working on the stream for the McQuinn Lumber Co., met with a painful accident by being struck on the leg by a cant-dog. Mr. Gray suffered very much and is unable to work.

On account of the large amount of log driving, fishing in the river will be very late.

ARCHBISHOP M'EVAY OF TORONTO IS DEAD

A Native of Ontario, Only 58 Years of Age, He has had a Distinguished Career.

Toronto, May 10.—His Grace Archbishop McEvay died at 12.25 this morning, after a long and painful illness from pernicious anaemia. The end came very peacefully, the distinguished patient having been unconscious for hours. At the bedside were Rev. Father Burke, editor of the Catholic Register; Rev. Father Kidd, secretary to the Archbishop and Chancellor of the Diocese; Rev. Father Whelan, rector of St. Michael's Cathedral; Rev. Father McGuire, nephew of the Archbishop; Dr. R. J. Dwyer, the attending physician and several sisters of the church. No arrangements have yet been made for the funeral. His Grace's illness was considered hopeless from the first, although he rallied frequently and made several public appearances since his condition became critical last year.

Deceased was born at Lindsay, Ont., in 1854, and received his classical education in St. Michael's College, Toronto, and was graduated with honors in the University of Toronto. He afterwards studied theology in the Grand Seminary at Montreal, and in 1882 was ordained a priest by the late Archbishop Cleary, in Trenton. In addition to his thorough classical and theological training, Bishop McEvay had in early manhood received a most thorough practical business education. His first duties as priest were performed in Kingston. When the diocese of Peterboro was established he was transferred there and placed in charge of the missions of Bobcaygeon, Galway and Fenelon Falls. When Bishop Dowling succeeded the late Bishop Jamot in Peterboro in 1887, Father McEvay was transferred to Peterboro and appointed rector of St. Peter's Cathedral. Afterwards he was transferred to Hamilton, where he became rector of the cathedral. He was successively promoted to the rank of private chamberlain to His Holiness Pope Leo XIII.; then domestic prelate and Vicar General of the diocese. In 1899 he became Bishop of London, and a few years ago succeeded Archbishop O'Connor in Toronto. Archbishop McEvay was a man of much executive ability. At the consecration of Bishops Casey and Barry in St. John in 1900 he was the preacher at the service in the Cathedral of the Immaculate Conception.

WHAT I WENT THROUGH

Before taking Lydia E. Pinkham's Vegetable Compound.

Natick, Mass.—"I cannot express what I went through during the change of life before I tried Lydia E. Pinkham's Vegetable Compound. I was in such a nervous condition I could not keep still.
