MARATHONS DEFEATED NEW ENGLAND CHAMPIONS

By a Score of 3 to 1—First Defeat Since Winning Championship — Winters Pitched Winning Game — One of Fastest Games of Season.

The Lowell team, who are this season's champions of the New England league arrived in the city yesterday morning and were defeated by the Marathons in a game witnessed by about 1,000 people, the score being 3 to 1.

The weather was very cold and the high wind was a draw-back but the game proved one of the best seen in this city for some time.

George Winter, the captain of the Marathons, pitched and did excellent work. The champions could only find him for five hits and he struck out four men.

Yount was the Lowell pitcher and his work in the box was good. He was found for seven hits and only struck out one man. Each pitcher gave two bases on balls and the work of each would make fans set up and take notice.

During the game, Wolfgang, a Lowell pitcher, who has the best pitching record in organized baseball this season, was introduced to the spectators and was loudly applauded. He will pitch for the Lowells today. The game was a fast one, being played in an hour and 34 minutes, and it was any team's game up to the time the last man was out.

The Lowells were first to bat and Moulton started in with a two base hit to left field and went to third when Riley failed to hold one batted by Duggan. Cooney drew a base on balls and the bases were filled. Magee flied out to left and Moulton was caught at the plate when Fluherty hit to Fraser at second. Wright struck out and the side retired.

For the Marathons Williams got a base on balls and was then caught off the first bag. Fraser and Callahan went out quickly to the infield.

In the second inning Lavigne flied out to Riley at short. Yount went out second to first and Moulton flied out to short.

The Marathons made their first run in this inning. Connolly went out, short to first; Riley landed a hit to right for two bases and went to third on McFaul's out, pitcher to first. Nelson hit to shortstop; the first baseman missed the ball sent to him and Riley scored. Lynch flied out to third and retired the side.

In the third inning Duggan and Cooney flied out and Magee struck out. The Marathons in this inning made their second run. Winter hit safe to right field and went to second on Williams sacrifice. Fraser flied out to third; Winter went to third on an error of Moulton at second. Callahan hit to Moulton at second who muffed and Winter scored. Connolly was hit by pitched ball, and Riley reached first on an error of Cooney at short. Callahan was caught between third and the plate and retired the side.

It was in the fourth inning that the Lowells gained their only run. Flaherty drew a base on balls and was caught between first and second. An error of Riley gave Wright the first bag and he stole second. Another error of Riley allowed Boultes to reach first and put Wright on third. Lavigne hit a single to centre and scored Wright. Yount struck out and retired the side.

The first three men up in this inning for the Marathons were retired quickly, although Nelson made a single to left but was caught stealing to second.

In the fifth inning four Lowell men were to bat. Magee made a two bagger to centre while the other three went out to the infield.

The first three Marathons to bat went out to the infield in this inning. The first three Lowell men in the sixth inning went out to the infield, while in this inning the Marathons made their third and last score. With one man out, an error of Boultes at third gave Connolly a base and he went to second on Riley's out to first. Connolly went to third on McFaul's single to left field and scored on Nelson's single to left. Lynch flied out to Moulton at second and retired the side.

Three men up for Lowell in the seventh went out to the infield, and the Greeks went out in the same manner.

In the eighth inning Cooney got a single to left, stole second and was caught off that bag. Fluherty and Wright went out to McFail at first. In this inning for the Marathons McFaul got a single to left but the other three men to bat went out to the infield.

In the last inning Boultes reached third on Williams making a low throw, but he remained there as the next man struck out, and the following two hit out to the infield and the game was over with a clean victory for the Marathons.

The box score of the game is as follows:
