CHANGES IN STAFF OF MT. ALLISON FOR COMING SCHOOL YEAR

Departure of Members of Last Year's Staff has Created Vacancies which are now being Filled.

Sackville, N. B., July 7.—A number of changes are to take place in the teaching staff of Mount Allison Ladies' College in the coming year, owing to the departure of some members of last year's staff. The resignation of Miss Elva Macdonald has necessitated the appointment of a new instructor in French and English essays, which position has been filled by Miss Ella Stanley, M. A. Miss Stanley graduated from Oberlin College and later received her M.A. from that institution. She also holds an M. A. from Columbia University and studied for a time abroad. She has a wide teaching experience and comes to Mount Allison highly spoken of by her former associates.

The vacancy made by the resignation of Miss Winifred Thomas, B.A., who for the past few years has taught Bible and History, has been filled by the appointment of Miss Leah Borden, B. A., of Canning, N. S. Miss Borden graduated from the University in 1910, and since which time she has had a valuable and successful teaching experience in the public schools of Nova Scotia.

In addition to the changes mentioned, an instructor has been secured for the gymnasium work of the girls. Miss Marion Ferguson will assume control of this department and will supervise the physical development of the students during the year. This branch of the college work is receiving more and more attention from the larger ladies' colleges of the continent every year and Mount Allison will be prepared to offer advantages equal to any of the other schools.

Miss Ferguson is a graduate of the Posse School of Physical Education and has a record of successful teaching along her chosen line.

Following out the progress which has been made by Mount Allison in the past few years in the matter of increase in staff and teaching facilities, an arrangement has been made to strengthen the musical staff of the University during the ensuing year by the appointment of an additional professor. The Rev. John Line, M.A., B.D., has been engaged to take up the work of teaching Homiletics, Church Polity, Didactics, Public Speaking, Philosophy of Theism and other subjects.

Mr. Line is a graduate of the University of Toronto, and holds both degrees from that institution. During the past year he has had successful teaching experience in that University, while giving lectures in Philosophy of Theism and other subjects.

Mr. Line is a thorough knowledge of his subjects and a keen sense of the growth and development of philosophic ideas.

Chancellor Bowles of Victoria College and Dr. Abbott, the head of the Philosophy department in Toronto University are very outspoken in their recommendation of Mr. Line as a constructive thinker, and a theologian of the advanced though not radical type. His appointment will aid materially to the advantages which Mount Allison offers her theological students.

STEEL OF CANADA NOW ON THE CREST OF FORTUNE'S WAVE

Company Operating at Top Record and Everything Going Satisfactorily—Dividend at 6 per cent. rate.

Special to The Standard.

Hamilton, July 10.—In circles which adopted a negative attitude towards the question of a declaration of a dividend, just previous to the last dividend meeting of the directors of the Steel Company of Canada, an affirmative attitude is being taken on the same topic with respect to the next dividend meeting. This is still nearly three months away, but no surprise will be occasioned in certain circles if a dividend at the rate of 16 per cent. per quarter, were declared, payable for the quarter ending Sept. 30.

The company is now operating at top record and everything is going smoothly from an industrial standpoint. The company has more orders on its books than it can fill for a number of months to come and the labor situation shows improvement.

ACCEPTANCE.

It has been said that the ability to accept a gift has been granted to very few, and you have only to read the story of the woman who was so friendly to the very few who do not include me, subject of many masculine jokes.

It all comes like so many other things from a lack of the inability to put oneself in another's place. You enjoy doing a small courtesy for someone and the others should also have the same privilege. Often I feel of hurt pride when a small service has been refused after much discussion. With some of us it is only for the small favor and the pleasure of doing it is an ungracious reception.

We have been told on the very highest authority that blessed to give than to receive but we are apt to forget receiving is also blessed.

WOMEN'S WORK

What Some People Have Done.

A young girl in St. John felt that she and some of her girl friends ought to be doing good for others as well as having a nice time. So they organized a club which they call "The League of Jolly Kindness." As the name implies, the object is both to include amusement and kindness towards others. The girls meet weekly and on Saturday afternoons go for long walks to enjoy the fresh air and learn something of nature. At other meetings they engage in patriotic and charitable work. Miss Estelle Fox is the president of this club. This is an idea which could be followed by others.

Candy Night at the Imperial.

The sale of candy at the Imperial on Monday night was a decided success. The president of the First Circle, West Side Soldiers' Comforts Association, Mrs. E. A. Young, expressed herself as being greatly pleased with the response both as to the sale of sweets and the large number of addresses sent in. Several addresses came in of soldiers who had no one to write to them and had only received parcels which were sent to the battalion. Those men the society will look after especially. One hundred and fifty addresses had been sent in by nine o'clock.

Tables, prettily decorated, were placed in the lobbies and young ladies and the boxes through the house, with Mr. Golding's kind permission. The following ladies were in charge: Mrs. E. A. Young, Mrs. T. Morrissey, Mrs. S. Sewell, Mrs. J. Carlson, assisted by Misses Vera Pike, Helen Clarke, Doris Kierstead, Edith Ellis and Bertha Robertson.
