ADIDAS WON FROM SOLDIERS

Sided Game in Military League Last Evening—Score Was 18 To 2.

At evening the Adidas met the Quakers' team in a game at the barracks which went in Adidas' favor and was marked by hitting on the part of the Adidas and clever box work by the Quakers.

Adidas started the game for the Quakers and his support team but the result might have been different. As it was the Adidas secured runs off his delivery, while the Quakers could do was to knock out the Adidas' delivery.

Adidas' team lined up as follows:

Catcher	Staff
First Base	Cuthbertson
Second Base	Pugley
Third Base	McDonald
Shortstop	Arasau
Left Field	Stegmann
Right Field	McLean
Pitcher	Johnson

The Ark Point Stars, on both sides, being found hard and often, a batter was: For the Stars, Crowell, Jenkins and deForest; the Socks, Merryweather, Parsons, Fry and Nordin.

Ark Point Stars, 14; Carleton Red Socks, 2.

THE GERMANS OPEN ATTACK IN RHEIMS SECTOR

THE FRENCH SUCCESSFUL IN RESISTING GERMAN BLOW

After Violent Bombardment Enemy Begins Attack Between Virgny and La Pompelle, Near Rheims—Enemy Not Able To Reach French Line on Western Side—Italian Situation Continues Favorable.

The Germans last night, after a violent preparatory bombardment, began an attack on the Rheims front, between Virgny and La Pompelle. The war office announced today.

The French are resisting the German blow with entire success. On the western front of the attack at Rheims the enemy was not able to even reach the French line. In the centre, before the city the Germans were completely repulsed and suffered heavy losses. East of Rheims the French were equally successful.

The French official statement follows:

"Last night at 6 o'clock the Germans delivered a violent preparatory fire along the whole front of Rheims, from the region of Virgny west of the city as far east as La Pompelle. At 9 o'clock the enemy infantry began an attack on the French positions between these two points.

"The French troops resisted the German attack with complete success, the counter-barrage of the French artillery proving very strong.

"Between Virgny and Ormes, German assault troops were stopped by the French fire and forced to return many times to their lines of departure and were not finally able to reach the French positions."

Strong Resistance

"Around Rheims violent combats developed, during the course of which the enemy suffered heavy losses and was everywhere repulsed.

"East of Rheims the fighting was likewise ended to the advantage of the French. The Germans, having been successful in penetrating the woods northeast of Sillery, were driven out by a counter-attack."

"Prisoners taken in the region of Rheims declared that the town was attacked by three divisions, which were ordered to take the place at all costs during the night."

A Semi-Circle

"The front of the new German attack is the semi-circle drawn by the enemy about the city of Rheims in the recent offensive on the Alsace front. The Rheims region comprised the left flank of the German attack. Ground was given by the French on both sides of the cathedral city, but the town itself and the nearby protecting forts were held against the German onslaught and have since remained in French possession."

Rheims, however, was hemmed in on three sides by the enemy, and it has been considered only a question of time when the Germans would make a concerted movement to oust its defenders. The front line of the present attack, from Virgny, west of the city, to La Pompelle, around the semi-circle to the east, is approximately fourteen miles.

The British Front

London, June 19.—British troops last night successfully repulsed the German lines in the region to the south of Hebuterne, north of Albert. A British post recently taken by the Germans near Vieux-Berquin, on the northern side of the Lys salient, was recaptured. Some prisoners and two machine guns were taken in the operation.

The text of the statement reads: "A raid attempted by the enemy in the Lys sector was repulsed by French troops. The hostile artillery was active yesterday evening in the Amire Valley, about Mericourt, and during the night has been active in the neighborhood of Morris (Flanders front)."

Italian Front

Paris, June 19.—The battle on the Italian front, now in its fourth day, presents a favorable aspect, according to dispatches to the Havas Agency. The Austrians have gained along a line four kilometres long on the west side of the Piave River. The Austrians have lost 6,000 prisoners and the losses of the enemy show that he is using his reserves while the Italians are protecting theirs.

WANT THE ALLIES TO INTERVENE IN SIBERIA

Eastern Russian Committee Issues Appeal Through Japan.

Peking, June 19.—(By The Associated Press)—The far eastern Russian committee for the "salvation of the motherland," has resolved to appeal through Japan for immediate intervention in Siberia by Entente Allied forces. The Russians say there would be no difficulty in establishing an allied army in Siberia. They frankly deprecate a purely Japanese expedition on the ground of what they term Japan's imperialistic and racial aspirations and memories of the Russo-Japanese war.

LUMBER SCALING

Fredericton, June 19.—A new lumber scale for New Brunswick is one of the probabilities for next year. This matter was discussed at yesterday's meeting of the advisory commission and a recommendation that a new scale be determined will be made to the Legislature at next session. The lumber scale in use has not been altered for 75 years, and it is thought that changed conditions warrant the creation of a new scale.

FROST DAMAGES UP RIVER TRUCK

Gardens in York and Sunbury Hit By Jack the Nipper.

Fredericton, June 19.—A heavy frost occurred last night in this section of New Brunswick and much damage was done to garden crops which are easily affected by the frost. There was a large acreage of beans put in by many farmers in various sections, the large price quoted for beans in the produce markets recently attracting the attention of many to this crop. The beans are easily affected by frost and in some sections were hard hit last night.

The Nashwaak Valley appears to have experienced a particularly low temperature, and much damage to the crops is reported.

At the meteorological observatory at the University of New Brunswick, a temperature of 34 was recorded. This is only two degrees above the freezing point and on low lands several degrees of frost occurred. Gardens in Devon and Nashwaak were hard hit, but in Fredericton little damage was done. Early risers saw white frost in the city and outside.

At Mouserville the market gardeners met with loss. Tomatoes were damaged extensively as well as beans and other crops.

BOOMS WILSON FOR PRESIDENT IN 1920

Former Governor of Indiana Enthusiastic—Vice-President Places Winning of War Before Party Advantage and Personal Ambition.

Indianapolis, Ind., June 19.—Declaring that the exigencies of the times call for re-nomination and election in 1920 of Woodrow Wilson, Samuel Rabbotin, former governor of Indiana, permanent chairman of the Indiana state Democratic convention, here today, fired the delegates and audience with enthusiasm that brought them to their feet waving flags and cheering. The demonstration lasted for several minutes.

Mr. Rabbotin followed Vice-President Thomas R. Marshall, who as temporary chairman delivered the keynote address of the convention.

Mr. Marshall said in part: "What the Democratic party stands for, is to win the war as soon as it can be done, and it holds for the speedy winning of it these essentials: Conviction of the justice of the cause in which we are engaged; a fixed and definite end to be attained; the wholehearted, disinterested political and patriotic sacrifice of personal ambition, party preference and individual success to the object attained and confidence, absolute confidence in the commander-in-chief."
