

CHARLES F. BURNS DIES SUDDENLY

Was Auditor of Disbursements of C. G. R. and Father of H. D. Burns, Manager of the Bank of N. S., Toronto.

Special to The Standard.
Moncton, Oct. 16.—Charles F. Burns, auditor of disbursements of the C. G. R., died suddenly at his home here tonight. Mr. Burns had not been in quite his usual health during the past two days, but was at his work this morning as usual. Death came suddenly as he was in his room preparing for bed. His wife heard him fall and going to his room found him unconscious. He expired immediately.

Mr. Burns was a native of Poughkeepsie, N. Y., and had been in the C. G. R. service for the past twenty years, being auditor of disbursements of the last ten or twelve years. He was 65 years old and is survived by his wife and one son, H. D. Burns, manager of the Bank of Nova Scotia, Toronto.

WOMAN'S HAND MIRROR SAVES FIFTY LIVES

London, Oct. 16.—(Correspondence of The Associated Press.)—A woman's hand mirror was the means of saving fifty lives from the torpeded liner Galway Castle. Among the survivors on a raft was a woman who took from her handbag a small mirror and suggested one of the soldiers use it for making heliographic signals.

The attempt was made and the signals brought up a destroyer at full speed, which took off the survivors from the raft as well as a number of sailors clinging to wreckage.

HON. ROBERT MURRAY'S SON SLIGHTLY HURT

Special to The Standard.
Chatham, Oct. 16.—Hon. Robert Murray has received the following regarding his son, who enlisted in the 122nd North Shore Battalion:

"Cable received from England states that Lieut. Robert Murray, in infantry, is officially reported wounded slightly, and is remaining at duty."

(Signed) Director of Records.
"Ottawa."

SOME SPUDS.

(Bangor News.)
Three solid trainloads of potatoes from Aroostook, Penobscot and Washington counties, with a few carloads from New Brunswick, passed through Portland one day last week to be loaded on a steamer for a port in the West Indies. This is said to be the largest shipment of potatoes ever sent out at one time from any American port. There were 128 cars in the three trains.

NEW HAMPSHIRE MAN MURDERED FOR MONEY

Dennis Clifford's Body Found at Hooksett—Step-Daughter in Maine.

Concord, N. H., Oct. 16.—The body of Dennis Clifford, a farmer who had been living a hard life in a hut built by himself in a clearing on a farm on the Derry road, Hooksett, about two miles from the Manchester area, was found yesterday on the floor of the little shack he occupied by two Manchester men who called to get their axes sharpened. The shack bore evidence of a struggle, a broken chair was there, with which he may have tried to defend himself, a hammer, which fitted three wounds in his head, crushing in the skull and a cudgel with a particular hook on the end, which may also have figured in the tragedy were also found. A bag of money which the old man was reported to have always had was missing.

Clifford was a native of Warner and has a daughter, Mrs. M. W. Merritt in Manchester, and a step-daughter in Portland, Maine.

CATARRH LEADS TO CONSUMPTION

Catarrh is as much a blood disease as scurvy or rheumatism. It may be relieved, but it cannot be removed by simply local treatment. It causes headache and dizziness, impairs the taste, smell and hearing, affects the voice, deranges the digestion, and breaks down the general health. It weakens the delicate lung tissues and leads to consumption.

Hood's Sarsaparilla goes to the seat of the trouble, purifies the blood, and is so successful that it is known as the best remedy for catarrh. Hood's Sarsaparilla strengthens and tones the whole system. It builds up the weak, and restores the health of those on having it. There is no real substitute.

NEWCASTLE RED CROSS.

The annual business meeting of the Newcastle Red Cross Society last week elected following officers: President, Mrs. Josephine Sargeant, Nelson, (re-elected); secretary, Miss Bessie C. Crocker, (re-elected); treasurer, Miss Helen Stables.

The secretary's report showed a membership of 122, of which 71 are life members, and 2 associated members. Twenty-eight became life members during the year.

The Halifax sufferers were sent over 1,677 articles. The cutting committee shipped over 1,535 articles and the knitting committee, 1,247 articles. From the surplus committee 213 articles were sent. The treasurer's report showed \$4,137.76, receipts; \$4,194.25, expenditure; \$56.49, deficit for year; \$68.94, balance from last year; \$12.45, balance on hand.

HOPE FOR SETTLEMENT OF THE C. P. R. STRIKE

Northwest Mounted Police Will Not Be Used To Enforce Anti-Strike Order-in-Council.

Ottawa, Oct. 16.—"The statement is absolutely incorrect," said Senator Gideon Robertson, representative of labor in the cabinet when asked as to an item which appeared in certain newspapers to the effect that the Royal Northwest Mounted Police were to be used to enforce the recent legislation prohibiting strikes. The senator stated that the machinery of the justice department would be used to enforce the legislation if such a course should be necessary.

With regard to the dispute between the C. P. R. western employees and the company Senator Robertson said that he believed the situation was improving. Members of the cabinet in the west were in touch with President Beatty of the C. P. R. and it was hoped to have the dispute settled in a few days.

GOVERNOR-GENERAL'S SON-IN-LAW BURIED

Washington, Oct. 16.—With full military honors, the body of Captain A. A. MacKintosh, an assistant military attaché at the British embassy, who died recently from Spanish influenza, was buried today in Arlington cemetery. Colonel James Lockett attended the services as the personal representative of Secretary Baker, and the American soldiers with British sailors and marines accompanied the body to the grave.

Capt. MacKintosh was a son-in-law of the Duke of Devonshire, governor-general of Canada, who was represented at the funeral by Lord Richard Nevill. The Duke of Connaught, governor-general of Canada under whom Capt. MacKintosh had served, was represented by Brigadier-General C. F. Trotter.

SMALLPOX AT CAPITAL.

Special to The Standard.
Frederick, Oct. 16.—A suspected case of smallpox was reported tonight in the home of Mrs. George Pidgeon, Brunswick Street. The house was placed under quarantine this evening by Inspector Fleming. The case is said to have been brought from Halifax by Harry Pidgeon, son of Mrs. Pidgeon.

STRIKE IN PRAGUE.

Basel, Switzerland, Oct. 15.—The Czechoslovak national council has decided to call a general strike at Prague, according to a Vienna dispatch to the "Frankfurt Gazette." The move is made in protest against the exportation of foodstuffs outside Bohemia.

OBITUARY

Miss Bertha Cunningham.
The death of Miss Bertha Cunningham took place yesterday at her home, 1st Adelaide Street, after a few days' illness with pneumonia. Miss Cunningham was a leading worker in St. Luke's Church. She is survived by her mother, Mrs. Letitia Cunningham, both of this city, and one sister, Mrs. R. Parker Hazlett. The funeral will be held on Friday.

Thomas McGraith.
The death of Thomas McGraith took place yesterday morning at an early hour at his home, 72½ Waterloo St. The deceased had been in the meat business for 49 years in this city. He is survived by one son, John, and five daughters, Nellie, Elizabeth, Augusta, Laura, Kathleen, all of this city, and Mrs. D. J. Purill of New Glasgow, N. S. Four brothers and two sisters, John, James, Michael J. Lawrence, Misses Hannah and Mary, all of this city also survive.

Joseph Harvey.
Joseph Harvey, Pleasant Point, died yesterday morning, leaving a wife, one son, George, mother and one brother. Funeral private.

Miss Edith M. McLeod.
The death of Edith Muriel McLeod, daughter of Bessie and the late Kenneth McLeod, took place Tuesday night at her home, 257 Charlotte Street. She is survived by her mother and two sisters, Marion and Margaret, all at home. The family's residence is at Petrolia, Ontario. The funeral will take place on Friday afternoon from her home.

Pto. E. Harold Brown.
Private Edward Harold Brown, aged twenty-one years, died yesterday morning in the military hospital, St. James Street, as a result of an attack of Spanish influenza, followed by pneumonia. He had been at Camp Sussex with the depot battalion during the summer and returned to the city last Thursday, his illness dating only from that day.

Private Brown was a son of Mrs. Elizabeth Brown, of 72½ Winter Street, and the late E. A. Brown, and is also survived by two brothers, R. A. and W. W., and two sisters, Marion and Margaret, all at home. The family's residence is at Petrolia, Ontario. The funeral will take place on Friday afternoon from her home.

The funeral will be held at 2.30 this afternoon from Brennan's undertaking parlors.

Fred Shaw.
Fred Shaw, accountant of the Moncton Tramways Co., a popular young man of the railroad town, died there a few days ago as a result of the influenza. The late Mr. Shaw is survived by his parents, Mr. and Mrs. W. Shaw, of Memramcook; a wife and two small children, a sister, Miss Verna, and four brothers, Murray, Jack, Robert and Harold.

The late Mr. Shaw came to New Brunswick with his parents a few years ago from Petrolia, Ontario, and settled in Memramcook, where his father was interested in oil mining. In after years the deceased became connected with the Tramways Company, Moncton, entering at the foot of the ladder and by strict attention to business and courtesy to the patrons of the road, rose to the position of accountant. He was a very popular, being of a jovial and pleasing disposition and was only twenty-five years of age when called. To his sorrowful wife, parents and members of his family the sympathy of all is extended.

Mrs. (Rev.) George W. Irvine.
The death is announced in New London, P. E. I., of Mrs. Daisy Irene Irvine, wife of Rev. George W. Irvine, Presbyterian pastor. Mrs. Irvine was a daughter of Hon. John and Mrs. Agnew of Alberton, P. E. I. She passed away on Saturday.

Louise Anderson.
The death occurred yesterday afternoon at the Epidemic Hospital of Miss Louise Anderson, the thirteen year old daughter of Mr. and Mrs. William Anderson of Milford, from pneumonia. The funeral will take place this afternoon from the hospital to Cedar Hill cemetery.

SAMARA EVACUATED

Vladivostok, Oct. 16.—(By The Associated Press.)—The Czechs are evacuating Samara. They hope to regain the town soon, with the aid of their brothers in arms, and have returned from Siberia re-equipped and rested, and are now fighting on the Volga.

The Czechs in the Ussuri district have departed for the scene of the Volga, fighting with all available British, French and Italian soldiers, and a small unit of French artillery. The French, Czechs, the British and Italians are rushing their meagre forces westward in an effort to maintain the east front, feeling that it would be disastrous to give up the footing of the Allies in European Russia.

LIEUT. GARROS KILLED.

Amsterdam, Oct. 16.—Lieut. Roland G. Garros, the noted French aviator, who was posted as missing on October 7th, after a flight over the German lines, was shot down and killed on October 14th, a message today announced.

ANGLICAN CHILDREN TO INVEST IN BONDS

Sunday Schools Expect to Put \$250,000 Into War Loan.

A quarter of a million dollars is to be raised by Anglican Sunday schools throughout Canada through the purchase of Victory bonds, each school undertaking to buy at least one fifty-dollar bond. The movement has three objects: (1) To help Canada by buying the bonds; (2) To help the Church by providing funds for the Forward Movement; (3) To commemorate the fallen heroes from each Sunday school. There is no reason why such a splendid movement should be confined to the Sunday schools of the Anglican church.

LEMON JUICE WHITENS SKIN

Gins! Make beauty lotion at home for few cents.

Squeeze the juice of two lemons in a bottle containing three ounces of Orchard White, shake well, and you have a quartet of the best bleaching and skin whitening lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how tan, redness, sallowness, sunburn and windburn disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless.

REAL ESTATE NEWS.

Heirs of J. B. Purdy, et al to Gandy & Allison, property in St. James St., Kings County.

J. S. Byron to J. P. Lewis, property in Norton.

Heirs of Andrew Garney to Michael Dolan, property in Norton.

W. H. Huggard to H. O. Soine, property in Norton.

C. W. Price to B. A. Keith, property in Cardwell.

Rothsayer Water & Improvement Co. to Sarah J. McGuire, property in Rothsayer.

Robert Scott to S. A. Scott, property in Sussex.

HSU SHI CHANG ON THE JOB.

Peking, Thursday, Oct. 16.—(By The Associated Press.)—Hsu Shi Chang was inaugurated President today in the presence of members of the cabinet and of the parliament. A reception followed at which members of the diplomatic corps tendered their congratulations. The president was not represented at the reception.

AMERICAN CHASERS DO WELL AT DURAZZO

By Arthur S. Draper.

(Special Cable to The N. Y. Tribune and The St. John Standard.)
London, Oct. 16.—The part played by the twelve American chasers in the battle of Durazzo serves to emphasize the importance of the work at sea. These little craft under the command of Captain G. P. Nelson screened the heavy ships during the attack and one of them sank the U-boat which torpedoed a British cruiser.

There is an uncorroborated report that another chaser got a second submarine. After the battle the chasers screened the crippled cruiser and acted as escort for an enemy hospital ship which was captured. "There was not a single casualty among the American boats."

In the least spectacular but even more important task of conveying American ships they are doing fine work. Within a very few weeks 1,000,000 American soldiers will have crossed to Europe in American convoys.

MARRIED.

Thompson-Smith.

A quiet wedding was solemnized at the home of the officiating clergyman, Rev. J. J. McPherson, yesterday. The contracting parties were George City Thompson, telegrapher for the C.G.R. at Jonction, and Miss Hattie Belle Smith, daughter of Mr. and Mrs. Clarence Smith, of Toronto, formerly of Springhill, N. S. Miss Vina A. Wheaton, of rothesay, attended the bride, and the groom was supported by his brother, Harvey A. Thompson. The bride wore a travelling suit of mauve broadcloth with hat to match. Among the costly and numerous presents were a number of cheques, from the groom to the bride a set of fox fur, a Liberty Bond, and from the parents to the bride, a piano. After the ceremony the happy couple motored out to Rothsayer where they took of a wedding supper at the home of the groom's parents. They left last night for Montreal, Toronto and other places of interest. On their return they will reside in Moncton.

Day-Shipman.
George D. Day, Chipman, N. B., and Emma Rogers, Stanley, were married at the residence of Rev. Milton Addison, Tuesday evening, by Rev. Mr. Addison, of George Street Baptist Church. The bride was charmingly gowned in navy blue broadcloth suit, with black fox fur. She was unattended. The groom's present to the bride was a substantial cheque. They will reside at Chipman.

FIRE NEAR CARIBOU.

Caribou, Me., Oct. 16.—The farm buildings of Benjamin F. Parker of Fort Fairfield were entirely destroyed by fire Saturday night with the exception of the potato house and a small outbuilding. This was a fine set of buildings just recently rebuilt in part. The barn was about 45 x 100 feet, with a shed on the side for tools. This was practically filled with hay and grain, about 60 tons of hay and 1,000 bushels of grain, of which some 300 was wheat. The total property loss was not less than \$15,000 with between four and five thousand of insurance.

Loss Over \$100,000,000.

Moose Lake, Minn., Oct. 16.—Lawyer, 21 miles to the west, with its dead still lying in the roads and on farms has been compelled to give up searching expeditions to fight increasing fires. Two hundred men sent from here this morning have asked for additional help. McGrath, 30 miles southwest of here, is fighting for existence. Sixty men were sent from here to aid.

George H. Nelson, state fire marshal and deputy insurance commissioner, here to investigate the causes of the fire estimated today the property loss would total more than \$100,000,000.

Every Good Physician Ought to Prescribe Nuxated Iron

OR SOME FORM OF ORGANIC IRON, SAYS DR. FERDINAND KING, NEW YORK PHYSICIAN AND MEDICAL AUTHOR, IN CERTAIN CASES
To Create Red Blood, Strength and Endurance

Says Sworn Statement of Composition of Formula of Nuxated Iron Printed Below, Should Convince Every Physician and Pharmacist, No Matter How Skeptical, That It is a Product of Greatest Therapeutic Value.

Both the medical profession and the public at large should give great credit to the manufacturers of Nuxated Iron, says Dr. Ferdinand King, New York physician and medical author, on account of their voluntary act in authorizing the widespread publication of the sworn statement of the composition of the Nuxated Iron formula in newspapers and magazines for the information of the public and for their generous offer to send a signed typewritten copy of the exact formula to all physicians and pharmacists who request it. Dr. King further says: "A careful examination of this valuable formula should not only convince the three million people whom it is estimated are now using it annually in America, but that they have made no mistake in selecting it, but it should also convince every physician and pharmacist that it is a product of greatest therapeutic value which the general practitioner can prescribe almost daily in his practice with remarkable results to his patients, and one which, in my opinion, every good physician should at times prescribe if he wants to do the greatest possible good to those who consult him. There is, I believe, no form of iron which is so valuable as that particular special specific standard which is used in Nuxated Iron, and if a physician has a patient whose condition is one that requires iron, I would most earnestly suggest that he may prescribe without success, that he should try that particular form used in Nuxated Iron."

"There can be no strong, sturdy iron men, nor beautiful, healthy, rosy-cheeked women, without iron. Pallor means anaemia. Anaemia means iron deficiency. The skin of anemic men and women is pale; the flesh flabby; the muscles lack tone, the brain fags and the memory fails and they often become weak, nervous, irritable, dependent and melancholy."

"Therefore, if you wish to preserve your vim and vigor to a ripe old age, you must supply the iron deficiency in your food by using some form of organic iron, just as you would use salt when your food has not enough salt."

Dr. James Francis Sullivan, former physician of Bellevue Hospital (outdoor Dept.), New York, and the Westchester County Hospital, said: "I have taken Nuxated Iron myself and prescribed it for my patients, and can truthfully say that it excels any preparation I have ever used for building up delicate, nervous, run-down folks and increasing the red blood against the ravages of disease. Contrary to general opinion, lack of iron in the blood does not necessarily mean you do not have enough blood."

WHAT NUXATED IRON IS MADE FROM

SWORN STATEMENT OF COMPOSITION OF ITS FORMULA.
Ask your doctor or druggist or any Pharmaceutical Chemist or Professor of Therapeutics in any Medical College in regard to this formula.

A copy of the actual sworn statement will be sent to anyone who desires it. It is as follows: Iron Peptonate (Special Specific Standard). Quantity given below. Sodium Glycophosphates U. S. P. (Monsanto) P. E. Nux Vomica U. S. P., Cascarella Bitter, Magnesium Carbonate, Po. Ginger U. S. P., Oil Cassia Cinnamon U. S. P., Calcium Carbamate Precip. U. S. P. Each dose of two tablets of Nuxated Iron contains one and one-half grains of organic iron in the form of iron peptonate of a special specific standard, which in our opinion possesses superior qualities to any other known form of iron. By using other makes of Iron Peptonate we could have put the same quantity of actual iron in the tablets at less than one-fourth the cost to us, and by using metallic iron we could have accomplished the same thing at less than one-twelfth the cost, but by so doing we must have most certainly impaired their therapeutic efficacy. Glycophosphates used in Nuxated Iron is one of the most expensive tonic ingredients known. It is especially recommended to build up the nerve force and thereby increase brain power, as glycophosphates are said to contain phosphorus in that particular state so similar to that in which it is found in the nerve and brain cells of men.

As will be seen from the above, two important ingredients of Nuxated Iron (Iron Peptonate and Glycophosphates) are very expensive products as compared with most other tonics.

Under such circumstances the temptation to adulteration and substitution by unscrupulous persons, is very great and the public is hereby warned to be careful and see every bottle is plainly labeled "Nuxated Iron," by the Dea Health Laboratories, Paris, London and Detroit, U. S. A., as this is the only genuine article. If you have taken other forms of iron without success, this does not prove Nuxated Iron will not help you.

It means your blood is not of the right kind. If you feel tired in the mornings; restless at night; if you suffer from weakness or lack of vitality; go to your family doctor and have him take a specimen of your blood and examine it, and if it shows iron deficiency, get him to give you a prescription for organic iron—Nuxated Iron. Do this so as to be sure that you do not get hold of some of the numerous forms of metallic iron preparations on the market, which may do you more harm than good. Or if you do not want to go to this trouble, purchase an original package of Nuxated Iron and see for yourself that the words Nuxated Iron appear on the package. Not Nux druggists.

Manufacturers' Note: Nuxated Iron, which is prescribed and recommended by physicians and which is now being used by over three million people annually, is not a secret remedy, but one which is well known to druggists everywhere. Unlike the older inorganic iron products, it is easily assimilated, does not injure the teeth, make them black, nor upset the stomach. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed in this country for the purpose of the words Nuxated Iron, and is sold in all drug stores.

Growing Old Together

THIS aged couple, mellowed by time and the experiences of life, are happily growing old together.

They are happy because they are healthy. Life is still full of interest to them, and they are wide awake to new ideas.

These are the kind of old people that everybody likes. For, in spite of the years, they are cheerful and optimistic.

It is only natural that the blood should get thin and vitality wane as age advances, but there are ways of keeping up the quality of the blood and maintaining health and vigor.

Very many men and women have found in Dr. Chase's Nerve Food exactly what they need to restore energy and strength and keep them healthy and happy.

As an example Mr. Stephen J. Leard, North Tryon, P. E. I., writes: "At seventy-five years of age my heart gave out and became very irregular and weak in action and more palpitate. My nerves also became weak, and I could do nothing but lie in bed in a languishing condition, losing strength and weight. In that condition I began using Dr. Chase's Nerve Food, and am cured. Had I not obtained this treatment I would now be in the box with the roof over my nose. At eighty-one I have an energy which I never had and I am writing this letter so that old people like myself may prolong their life and strength by using this great medicine."

There can be no doubt that this treatment contained exactly what was required to build up Mr. Leard's system.

We are constantly receiving so many letters of this kind that we can, with the greatest confidence, recommend people of advanced years to put Dr. Chase's Nerve Food on trial, as a means of restoring and maintaining health and vigor.

Here is another interesting letter. This time from a lady:

Mrs. Joseph Lalonde, Hydro Glen, Ont., writes: "I have to thank you very much for what your medicines have done for me, especially the Nerve Food and Kidney Pills. I was so run down for nervous last summer that I was in bed most of the time, unable to do any work. I have also been troubled with my kidneys for over twenty years, and tried every doctor I knew of without any permanent results, but I can say that Dr. Chase's Nerve Food and Kidney-Liver Pills have made me feel quite different. Since taking this combined treatment I have been able to do my housework, and although I am now 76 years old, I feel better than I have for years."

("I know Mrs. Joseph Lalonde, and believe her statement regarding Dr. Chase's Nerve Food to be true."—W. P. Flannery, Postmaster.)

Dr. Chase's Nerve Food, 50 cents a box, 6 for \$2.50, all dealers, or Edmanson, Bates & Co., Ltd., Toronto. Only the genuine bears the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author, on every box.
