### STYLE and QUALITY

In choosing your clothes this spring do not forget that quality is the measure of satisfaction, and that in quality lies the real secret of economy.

To make doubly sure of value demand

### 20th Century Brand

the clothes with a national reputation for style and quality.

We are exclusive agents.

Gilmour's, 68 King Street

A walking boot of distinction for those who prefer the long vamp and medium narrow toe, combined with the military heel. Made in all leathers, 8 or 9 inch height.

### When You Buy for Style

THERE is a point beyond which the adding of refinements to a shoe can add nothing to its value. There is a certain definite limit to the fineness of leathers and fabrics.

Shoes of graceful design, and in perfect good taste, can readily be obtained at moderate prices, and little extra service value can be secured at any price. There is no reason why you should not pay extravagant prices if you can afford it, but you should understand what your dollars are really buying.

The model shown above is correct and attractive in style, and represents good value for the money in any of the grades in which it is made. Our booklet "How to Buy Shoes" gives some interesting information about different types and grades of shoes. We gladly send it to any address in Canada upon request to our head office at Montreal.

### FACTORIES AND STORES CLOSED

Only Provision and Bread Shops Remain Open in Limerick—No Disorders Reported.

Limerick, Ireland, April 15.—(By The Associated Press)—All factories and stores in Limerick were closed today except provision and bread shops. During the night the military force, which are enforcing martial law in this region, erected barriers across all the roads entering the city, and no persons, except those with military permits, are allowed to pass. All bridges over the river Shannon, and other strategic points are being closely guarded by the soldiers, while pickets are on the alert throughout the district.

The strike notices, given by the railroad men, expire at midnight tonight. Efforts are being made to bring out the employees on all the Irish railroads. The length of the Limerick strike, it is believed, depends on the success of the movement. No disorders have been reported.

### AWARDED DAMAGES.

Mr. Justice Barry gave judgment yesterday in the case of Harold A. Lyman vs. J. Herbert Emery. The case arose from an accident that occurred near Renforth on July 19, 1916. As Mr. Lyman was proceeding from his home to the railway station to come to town he was run down by Mr. Emery, also inward bound, in his motor car and badly injured. Mr. Justice Barry gave a verdict for the plaintiff for \$1,471.50. He felt defendant was guilty of negligence, first, in not keeping a good lookout; second, in going faster than he should have gone, considering the circumstances, and, third, in not sounding the car horn.

Dr. W. B. Wallace, K. C., for plaintiff; Dr. J. B. M. Baxter, K. C., for defendant.

### FOUND TRUE BILLS.

The grand jury, on Monday, found true bills against Albert Hogan, Joseph Crawford and E. Harrison, charged with breaking, entering and stealing from McAlary's store, Douglas avenue, and no bills against Thomas Davis and Henderson Mason. Hogan, Crawford and Harrison elected to be tried under the Speedy Trials Act, and hearing will be before Judge Armstrong.

### POPULAR PRESENTATION.

## The Powerful Influence of The Home Surroundings

We may be surrounded by pulsing life in the great out-doors of our daily activities and yet the worth-while things—the deciding factors—find their inspiration in that which awaits us upon the threshold and within the precincts of the home. Your household is the one abode, where shut in from the world's unfriendliness, man's home and its furnishings make up his intimate surroundings. How important then that the home be the utmost expression of man's individuality.
