WEST SIDE VETS WERE IN SESSION

Eight New Members Were Initiated Last Evening and Those Present Heard Interesting Address Delivered by Comrade H. W. Patchell

Comrade H. W. Patchell, a former member for New Brunswick on the Dominion Executive of the G. W. V. A., gave a very impressive outline of the work of the association in Canada in an address at the meeting of the newly organized branch of the Association in West St. John, held last evening in the Temperance Hall.

In the absence of the President W. W. Allingham, Com. P. C. Rourke occupied the chair and P. C. Colwell officiated as secretary.

Eight new members were initiated, bringing the membership up to a good figure. Any West Side boys either desirous of joining the branch or old members wishing to transfer from the St. John branch will be welcomed by the president or secretary or other officers. The next meeting will be held Monday evening Sept. 8, at eight o'clock old time.

For Freckled, Tanned, Red or Blotchy Skin

Just beneath that freckled, tanned or reddened complexion there's an exquisitely beautiful skin of youthful tint and delicacy. If you could only bring this complexion to the surface, discarding the discolored one! You can—in the easiest, simplest, most natural manner imaginable. Just get at any drug-store an ounce of ordinary macerated wax, apply nightly like cold cream, removing it mornings with warm water. The wax assists Nature by gradually peeling off the lingering particles of scorched and half-dead surface skin, causing no discomfort whatever.

Outaneous defects like pimples, blotches, liver spots, moth patches, freckles, of course disappear with the old skin. Nothing else will accomplish such wonderful results in so short a time.
