Scandal.

New York, Nov. 2.—Albe Attell, former featherweight boxing champion, under indictment in Chicago in connection with the alleged "fixing" of the 1919 world series, returned here yesterday from Montreal and declared he would go soon to Chicago and tell what he knew of the case. He declined to say anything further.

Two Are Indicted
Chicago, Nov. 2.—Attorneys representing Albe Attell and John J. "Sport" Sullivan, indicted as members of an alleged gambling "ring" which were said to have bribed eight Chicago White Sox players to throw the 1919 world series games, arrived yesterday from New York to arrange for the appearance of the two. The attorneys announced that they would produce the two men as soon as bonds were arranged for and added that they would ask for an early trial.

Fights Willard
Return Match

Jack Dempsey States That He
Will Fight Big Jess on St.
Patrick's Day Next.

Montreal, Nov. 2.—Jack Dempsey, the world's heavyweight champion, who visited a local newspaper office today, accompanied by a whole string of attendants, and left behind him the impression that the movies meant much more to him than fighting.

In speaking of them his face would light up with enthusiasm and it seemed as though he was much more interested in the new picture he is shortly to act in, than his coming battle with Carpentier.

When asked about Carpentier, he said:—"Sure he is a fine fellow. He and I had a game of golf at Jersey City on Monday. He does not play as well as I, because he has had but little practice. I beat him, but you know it was not a regular match. There were four or five of us, and it was really more of a friendly practice."

He seemed reluctant to talk about boxing, but when finally plied down to say something, he started his hearers by announcing that he was going to fight Jess Willard a return match for the world's championship on next St. Patrick's Day.

Jack Kearns said this would not interfere with the match with Carpentier.

New York, Nov. 2.—Dates for the 1921 international motor boat race for the Harnsworth trophy, emblematic of the speed boat championship of the world were announced last night by the racing commission of the American Power Boat Association. The cup won last August off the Isle of Wight by the Miss America, owned by G. A. Wood of Detroit, will be defended September 3, 5 and 6, probably in the vicinity of New York. Challenges are expected from Great Britain and France.

The Gold Cup races and the one mile event for the United States speed title will be decided at Detroit August 27, 29 and 30.

The annual Canadian motor boat races at Toronto will be held September 5, 6 and 7.

Urge Respect For
National Anthem

Ottawa I. O. O. E. Will Celebrate Armistice Day—Lady Pope Interested.

Armistice day will not pass this year without some celebration, if the Daughters of the Empire in Ottawa can help it. Lady Pope appealed to the meeting of the Provincial chapter, held at the Chateau Laurier, to co-operate with the civic administrators to carry out some civic ceremony on that day.

She proposed the creation of a cenotaph, a large open tomb, by which school children would march and deposit wreaths and evergreens. The school board members have been approached, and Lady Pope hopes to have a favorable answer in a few days.

Lady Pope also urged the necessity of educating the Canadian public to pay proper respect to the National Anthem, and recommended that the Board of Censors screen a request to the public to stand during the National Anthem, and defer the putting on of their wraps till the last bar is played. This met with the approval of the Daughters.

FRENCH SAID TO
LIKE BARUCH BOOK

Work on Treaty Proves That
Germans Should Pay War
Damages.

(Copyright, 1920, by Public Ledger.)
Paris, Nov. 1.—Bernard Baruch's book, "The Making of the Reparation and Economic Settlement of the Treaty," which has just been reviewed in France, has been received with favorable comment by French statesmen. "Diplomats," writing in the Paris Midi, says all persons should read the book, which is based on confidential documents and which proves, as did the members of General Smuts, that the Germans ought to pay for the damages caused to the civilian population of the Allies. He says:

"This eminent American has on the whole justified the economic and financial clauses of the peace treaty. But he does not hide, on the contrary, that this is the result of a compromise and that his personal preference, which was that of the American delegation itself, had been from the first to the end, the payment of a fixed sum of indemnity."

He adds that Mr. Baruch shows, however, that the clause in its present form is not far from being just. The writer concludes that, on second thought it is paradoxical and even absurd when one considers the important part America played in making the treaty that it does not take the least part now in its execution.

Prizes Awarded to Victorious
and Defeated Crews in
Schooner Race.

Halifax, Nov. 2.—The captains and crews of the Esperanto and Delawana, American and Canadian contenders in the recent international fishing schooner races were guests of the Halifax Commercial Club at a banquet here this evening. Among those present were representatives of owners of both schooners, of the town of Gloucester, and visiting newspaper men. The guests of honor included Mayor Charles D. Brown, of Gloucester, Mayor John S. Parker, of Halifax, His Honor Lieut. Governor Grant, Premier George H. Murray, of Nova Scotia, and Archbishop Worrell.

"Marty" and "Tommy."

Captains "Marty" and "Tommy" were greeted by a spontaneously enthusiastic crowd of prominent citizens with the customary but very fervent three cheers. Lieut. Governor Grant made the presentation of the cash prize to Captain Welch, of the Esperanto, saying he considered it an honor to link arms with "Marty," because of the great fight which he had fought and won.

The victorious Gloucester men were not able to respond very heartily to the insistent demand for a speech, because he had lost voice shouting his orders while winning the international cup. Russell Smith, representing the managing owners of the Esperanto expressed pleasure at receiving a prize which he believed had been honorably won.

Premier Murray presented Captain "Tommy" with his cash prize. "You both couldn't have won, Captain 'Tommy,'" said the Premier, his hand upon the Lusbenburg skipper's shoulder; and it's not always a bad thing to get licked, particularly when you're a young man. Some very good men were licked in their early days. When you've been licked as often as I have you'll be a much older man. Use that head of yours and you may win next time." The Premier said the race had made history for Halifax and the province.

Captain Himmelman, in reply, said that everyone liked to win but that somebody had to lose, and he was very glad he had fought clean.

All Pleased.

R. C. S. Kaubach, of Lunenburg, representing the owners of the Delawana, thanked the race committee for their efforts to bring the project to a successful conclusion.

H. R. Silver, president of the Board of Trade and chairman of the race committee, stressed the importance of the fishing industry to Nova Scotia and the Dominion, emphasizing the in-exhaustibility of its supply.

Others who spoke were Mayor John S. Parker, S. Carroll, general manager of the Gorton Fish Company, Gloucester; Dr. Strang, of Gloucester, and James B. Connolly, of Boston.

PROHIBITION
CAMPAIGN IN
INDIA IS OFF

"Pussyfoot" Johnson Will Not
Go There at Present—Pleased
Over Outlook in Scotland.

By WILLIAM J. BUTLER.
(Copyright 1920, by Cross-Atlantic.)
London, Nov. 1.—The prohibition campaign in India which had been planned by Pussyfoot Johnson for the time being has been called by his American backer "Pussyfoot" Johnson, which were made for the sailing next week have been cancelled. He admitted the change was due to instructions from the United States, but said he expected to go there later. It is understood that the interests backing the dry campaign for India are disheartened in view of the unrest prevailing in both countries, that any prohibition agitation might further complicate the problems of the British Government and will postpone their campaigns until the present unrest has subsided. The Government, itself it is understood, suggested unofficially to persons close to "Pussyfoot" that an extension of activity in those countries might embarrass it and be unfriendly.

"I have just returned from Scotland," said "Pussyfoot." "The dry sentiment there is more wonderful and greater than I ever hoped." The action of the four Canadian provinces, Saskatchewan, Nova Scotia, Manitoba and Alberta, voting bone dry, is adding tremendous impetus to the movement in Scotland. Scottish wigs were heralding the recent wet vote, in British Columbia as a "wet victory." The action of the four other Canadian provinces has knocked this action into a cocked hat. "The issue of Scotland is now a bone dry one, and just when the country is expected to reach a perfect dry condition, it is impossible now to forecast, although it is heading that way fast. I am not so hopeful of victory in England. The dry sentiment in Scotland, Ireland and Wales is much stronger than in England. I am planning a trip to France soon. The movement for prohibition is strong there."

Acadia And
U. N. B. Today

Visitors Arrived at Capital
Last Night for Intercollegiate
Rugby League Game.

Fredericton, Nov. 2.—The deadlock in the negotiations which have been going on between U. N. B. and Acadia over the selection of a referee for tomorrow's intercollegiate rugby league game here still continues. Acadia, it is said, have definitely refused to allow Sergt. Major Jack Asten to officiate, and U. N. B., although said to have the backing of Mt. A. in insisting that Asten be the referee, are now relenting somewhat. Jack McBeth, of Moncton, is mentioned as a possible choice.

Definite announcement was made today following the final practice of the U. N. B. team that Captain E. G. Saunders will not attempt to play with his team against Acadia, otherwise the U. N. B. team will be the same as that which finished the game at Sackville last Friday against Mt. A. MacKenzie will be at fullback, the halves will be Trimble, Hagerman, Stevens and Haines; the quarters Cam, Louisbury and Burgess, and the forwards will be Cass, Sargent, Jamer, Babbitt, Squires, Akerley and Jewett. The Acadia team are expected to arrive here this evening and it is doubtful if ever a team came here for an intercollegiate league match with so little known as to their real strength.

VOLLEY BALL

The Y. M. C. A. Business Men's Volley Ball League is proving popular in the physical training department this year. Six teams are entered and each Saturday is marked by a fierce battle to lead the score. The league's schedule follows:

Nov. 13—Margetts vs. Barbour; Hazen vs. Goodge.
Nov. 20—Guy vs. Goodge; Ryan vs. Margetts.
Nov. 27—Hazen vs. Ryan; Barbour vs. Guy.
Dec. 4—Margetts vs. Goodge; Hazen vs. Guy.
Dec. 11—Barbour vs. Ryan.

Simmered Down.

It Depends.
Question of whether suicide is a sin seems to depend on whether it's an American who commits it.

McAVITY BOWLING
TEAM HAVE BANQUET

Prizes Presented, Athletic Association Formed and Good Time Enjoyed by All.

A banquet was held at Bond's Restaurant last evening at which the awards were members of McAvity's Bowling League. After supper had been enjoyed the prizes won last winter were presented to the successful bowlers. P. D. McAvity presided at the banquet and the presentation of prizes was made by Clifford McAvity.

The Vulcan Foundry won the McAvity Cup, individual cups being won by Harry Frost, A. Ramsay, D. Forsberg and D. Foley. The formation of an athletic association was discussed and decided upon, the following officers being elected: Harry Frost, president; C. Legge, vice-president; A. Ramsay, secretary-treasurer.

A social time followed during which choruses were sung and solos given by Jack Stenhouse and Charles Nodin.

America Not First.

Harding supporters make a good deal of the cry "America First." Very Canadians forget it was not till 1917, and after everybody had best her to it, that the U. S. went over.
