(Continued from page 1.)

The adjourned term of the county court recently held in Clare will be opened in the court house in Digby Tuesday afternoon, Judge Savery presiding. Luc docket soon passed over the hills as the Japanese soon passed over the hills as the Japa storming party were clambering down the pursued the retreating enemy. One column of weary soldiers who had been almost two days without rest was trudging dow the river toward Antung, where the Japanese gunboats were shelling the Russian

At 9 o'clock a solitary soldier climbin ahead of his comrades unfurled a huge Japanese flag in the face of the topmost fort on a ridge 1,000 feet above the plain. He marched back and forth along the parapet, waving the banner and then, for ie first time, the Japanese on the walls of Wiju broke the impressive silence with which they had watched the battle and shouted: "Banzai." Already foot soldiers, batteries and pack trains were streaming

on to the island by every road and to-night the entire Japanese army will be in Official estimates of the Japanese casualties are not given out, but the correspon dent saw 300 Japanese and seventy Rus-sian wounded in one field hospital.

Kuropatkin Has Only 200,000 Men.

The real truth seems to be that General Kuropatkin has not much over 200,000 to pursue the plan which he mapped out at first—to allow the enemy to follow him back into the heart of Manchuria, until strong enough to assume the offensive. The Associated Press is informed that while the Russian garrison is still at New-chwang, the untenability of the position

Russians May Fall Bock on Harbin. An ultimate retirement to Harbin might

possibly incur the danger of a Chinesuprising which increases with the Japanesu successes and must be taken into consideration. Should the news of the enemy's successes inflame the Chinese in Mancheria against the Russians, the latter's rithdrawal north of the zone of their hostility might become imperative. The pos-sibility of active operations against Vladi-vostok also has to be reckened with. The general staff inveighs against a too pessimistic view of the situation, pointing out that the Japanese must land an other army before they can hope to make a strong advance movement, which will quire time. In the meantime, the strength of General Kuropatkin's army and ...s position will daily increase. The general staff repeat the words of the commander in-chief, "Patience, patience, patience. They also insist that the full extent of the Russian losses on the Yalu river have been ublished.

"it is no guess work of our losses," said a member of the general staff. "Every man has been accounted for. Let the

enamy publish theirs." Port Arthur Short of Coal and Provisions.

CAUGHT OUTSIDE HARBOR. SENATOR DEVER DEAD AT OTTAWA; BODY WILL BE BURIED IN ST. JOHN

Ottawa, May 8 — (Special) — Senator James Dever, of St. John (N. B.), died in St. Luke's Hespital at 3.15 o'cleck yesterday afternoon. He took ill some time after coming to Ottawa to attend his sessional duties. His wife and daughter were telegraphed for, and upon their arrival here graphed for, and upon their arrival here. graphed for, and upon their arrival here they had him removed from the Windsor they had him removed from the hotel, where he was staying, to St. Luke's Hospital. For some days it had been fared that he could not recover.

The body was taken from the hospital

yesterday and placed in room eight, of the senate. It will be sent to St. John by the C. P. R. at 4 o'clock tomorrow.

Hon. R. W. Scott, the government lead er in the senate, assisted in making the arrangements for the funeral, which will start from the senate chamber at 3 o'clock.

Hon. James Dever was born at Bally-shannon (Ire.) on May 2, 1825, and therefore was just seventy-nine years old. He came to Canada with his parents, who settled in St. John, the father engaging in the business of baker in Mill street. The young man was one of four brothers. He assisted his father for a time and later clerked for a Dock street house.

Finally he and his brother John established themselves in business in Dock street, engaging in wholesale liquor and groceries. For years they continued and prospered but some years before the fire the brothers dissolved partnership. James continued the business they had established and John moved farther up street and

ed and John moved farther up street and started for himself. Later he went to the James Dever had not been particularly active in politics but had always followed the country's affairs with interest. On March 14, 1868, he was appointed senator He continued in business until the fire of

1877 but was burned out then and did not resume. Senator Dever had prospered in connell (Ire.) They were the parents of business and had acquired considerable

Immigrant Youth Poisons Halfex Family |

And then Robs Mistress.

Halifax, N. S., May 6-(Special)-James Rouse, aged seventeen, an immigrant boy who came here four months ago from England and was engaged by C. H. Cahan to work about his residence, was arrested at Truro today by Detective Power.

Early this morning he entered Mrs Cahan's apartments, took \$125 cash and left

called and both recovered. It is now be eved that they were poisoned by the boy

with intent to rob. The boy had poisonous drugs in his room and the family have no doubt he made the attempt. A dog in the house was also losed early in the morning, and became sick and vomited all day. It is thought Rouse gave the dog poison to keep it quiet while he was operating. When arrested Rouse had a ticket for Winnipeg and \$65 ash on him. He was brought back to the ity this evening and locked up.

Radium emanations make the skin phosphoresent, and long exposure to them inflames it.

were grieved to learn of his illness and its progress and who will sympathize with the bereaved family in their loss. Senator Dever was not well when he left St. John some weeks ago to take up his duties at Oftawa. In fact he had been confined to bed but insisted on going to the capital.

Senator Dever, on Nov. 25, 1853, married
Margaret, daughter of Daniel Morris, of
Lancaster (N. B.) Nine children were Lancaster (N. B.) Nine children were born to them and all are living. There are two sons—James, of the New York Sun, and Thomas, also in the States.

James is now in St. John, having arrived here Saturday from Ottawa. —ere are seven daughters—Mrs. Thos. Hughes, in Germany; Mrs. Francis Irvante, in New York; Mrs. Frederick Roberts, in England; Mrs. Alfred Ray, in Paris; Mrs. William Gellibrand, in England; Mrs. Louis Barbeau, in Montreal; and Mrs. Norman Leslie, in Kingston.

Norman Leslie, in Kingston. Speaking of the late senator, the Par-liamentary Companion says:— The Name An Old One.

"This name, Dever, first appeared in Great Britain with William the Conqueror. Great Britain with William the Conqueror.
The great-grandfather of the present subject was Paul Eugene Dever, a retired army officer, mixed up in the Irish troubles of his time. He was drowned in the river Erne, near Ballyshannon, leaving an only child, Paul, who was educated for the last present of Sir Angeles. chirch, but married a niece of Sir Anthony Cohen, of Higginstown. There was only one child, James, by this marriage, who married a daughter of Daniel Gal-Senator Dever.

Misplaced Pity.

Dr. Edward Bedloe, formerly United States consul at Canton, says that one day, during a conversation with the wife of the British vice-consul at that port, the question of the cheapness of human life, n China became a point of discussion.

The English official's wife was horrified. when the fact was referred to that a Chinese condemned to death may always find a substitute to die in his place.
"Isn't that awful!" exclaimed the fair Mrs. Cahan and daughter were served with tea Thursday by Rouse and soon after took violently ill. Medical aid was substitute in that horrible manner!"

Denies Epidemic at Muckden.

St. Petersburg, May 9-10.30 p. m.-Count Vorontzoff Dahkoff, head of the Russian Red Cross, authorizes an absolute agency in the United States that an urgent telegram has been received at St. Peters burg from Mukden, asking for the im-mediate dispatch of 100 extra doctors, and announcing that an epidemic of typhus fever, dysentery and smallpox had broken out among the Russian troops.
