ALSO, previous to Stock-taking in January next, they have decided to offer several odd lots in each Department, at REDUCED PRICES In the

Silk Department

They show a large lot of

NEW BLACK SILKS.

The manufacture of the most celebrated Lyons makers. The extra good value they can give in these goods is owing to the disturbed state of trade in America, which has prevented the shipment of large orders from Lyons, and the uncertainty existing in France consequent on the state of political parties, therefore the silk market has got very depressed, and the best makers are selling their goods at very low prices.

B., K. & CO. also have on hand a large lot of

Parliament to be Dissolved Immediately.

OTTAWA, Dec. 29.

It is rumored that the Grits will order a dissolution without meeting Parliament, knowing that they will stand no chance after a full investigation of the Pacific Scandal is had, and the other side of McMullen's conspiracy laid bare. Meanwhile the Ministerial policy will be given only in general terms, and the Pacific Scandal made the test question. In the West the Grits are fully organized for the contest. They hope the Maritime Provinces will be carried by storm upon false issues. The rumor of immediate dissolution is no doubt true.

Board of Trade.

The Board of Trade met at 11 o'clock this morning to discuss a code of bye laws and rules of order, drafted by a special committee some time ago.

The President explained the object of the meeting and asked the Secretary to read the report section by section.

Mr. G. F. Everitt objected, as the rules had not emanated from the Council. A discussion arose on this point which was taken part in by the Sheriff, Messrs. A. C. Smith, W. C. Watson, S. S. Hall and others. It was decided to discuss the bye laws as arranged by the committee.

The Secretary then read the report, and it was adopted with some alterations.

Mr. R. S. DeVeber called attention to the manner in which the delegates of the Board were appointed, and wished it settled whether the Board or Council had the power of nominating the delegates.

Hon. T. R. Jones spoke in favor of the Council having still more power than at present. The work could be much better done by the smaller body.

Mr. W. C. Watson said that by the constitution the Council had the full power of the Board.

Mr. James L. Dunn held the same views, and considered that the powers of the Council and Board were concurrent. He moved that, in the opinion of this meeting, the delegates should be elected by the Board. The motion was, however, withdrawn.

Mr. R. Marshall moved that the action of the Council in adpointing delegates be confirmed.

Mr. Scammell seconded the motion, and it was carried, after some remarks from Mr. Watson and Mr. Dunn.

Mr. Watson, from the committee on telegraphing, reported recommending that the present telegram received from Montreal be discontinued, as it did not meet the wants of any portion of the business community. In accordance with this recommendation he moved that the telegram be discontinued, and the Secretary be authorized to settle with the compiler in Montreal. The motion was carried after Mr. Watson had read a draft of the telegrams the committee propose to get from another quarter.

Medicines, &c.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.
