## Electric Service

Means comfort, convenience, economy, and safety.

The home that is completely equipped with electrical  
devices is a happy one.

All the drudgery of housekeeping is eliminated by  
electricity.

You can wash, iron, sew, sweep, cook, keep cool  
in summer and warm in winter, by means of elec-  
trical apparatus designed especially to relieve you  
of unnecessary and fatiguing labor.

At our showrooms all these devices are ready for  
your inspection. Competent demonstrators will  
operate and explain them for you.

## Any Spare Time ?

While the work-a-day hours of the week may be devoted to pro-  
ductive toil it is not always the case that the week-end sees accumu-  
lated profit. Therefore the handicaps of average ability, of a poor  
job, or of lack of opportunity to progress, must be made up—if made  
up at all—in other directions.

The spare time, the leisure time, the loafing time, the undevoted  
to anything time, holds the secret of financial advancement. It holds  
it for YOU.

## Why Not Earn ?

To thousands of people the idea of earning "something on the side" may  
come as something absolutely new. Are you one of these people? Does  
increased income seem desirable? (To whom does it not seem so.) If you  
are in earnest about it I can show you how to go about it. The distribu-  
tion of a journal with national outlook like the Courier is a big task, cover-  
ing Canada. Therefore I need lots of men, women, boys—all can help.  
Don't call it a "canvassing job, for which you are not fitted."

Write me for descriptive ideas on salesmanship of a national journal.

I can profitably employ your spare time.
