RICH CUT GLASS of HIGHEST QUALITY

The possession of Fine Cut Glass gratifies the highest degree of good taste. Great care is necessary in its selection for quality determines its value.

As the pioneer glass cutters of Canada we insist on quality in our product. Be it the smallest individual article or a complete service only the highest grade is produced by us.

Our factory conditions (covering location, expense of operation, system and experience) enable our high quality goods to be sold even on price alone.
