Inter Residence wrap-up

Men's Inter-residence Soccer

Poor weather conditions allowed for only five out of seven scheduled games to be played by each team in the league. With no finals being played, standings taken from points saw Neill House in first place with 15 points, Neville taking second place honors with 12 points and MacKenzie and Harrison in third and fourth places respectively with 11 points each.

Women's Soccer

Women's soccer saw the season starting out with three residence teams with Vanier, McLeod and Tibbits scheduled in season play. Poor weather conditions resulted in no final play-offs. Thus, point standings determined McLeod House as winners with five wins and one loss, followed by Vanier with two wins, two losses and two ties.

Men's Touch Football

In semi-final play Harrison Huskies defeated McLeod 24-6, while Aitken defeated Jones 13-6. The final game saw P. Lamb and C. Burgess scoring for the Aitken team, but unfortunately were outscored by T. McKillop, P. McCarthy, and B. Agnew with the strong Harrison teams.

Women's Touch Football

The women's touch football league began with three residence teams participating, with Vanier and McLeod advancing, eventually, to a final game. This final saw Leanne Rodgers scoring two touchdowns to lead the Vanier team in defeating McLeod 12-7. McLeod's single touchdown was scored by Geraldine VandeBergen.

Men's Cross-Country

The men's inter-residence cross-country meet held on Saturday, October 10, showed participation by 143 U.N.B. residence students topped by Aitken with 48 runners and Neville with 23. Top ten finishers were led by Fernand Oulette (MacKenzie), followed by a pair of Aitken Animals, John Duncan and Colin McFarlane, close behind. Next, we saw Donald Hum and Peter Nightingale both from Neville in fifth and sixth spots respectively, followed by Jacques Belzile (MacKenzie) in seventh, Mike Abott in eighth, Shelby Hacala (Bridges) in ninth, and Darren Lamb (Aitken) in tenth place.

In team competition, Aitken took top honours followed by Neville in second, McLeod in third and Bridges in fourth.

Women's Intramural Volleyball

This year's league consisted of eight teams with five of these being residence teams. Semi-final action saw three of these residence teams participating. With L.B.R. defeating Tibbits and Lady Dunn over the Computer Science team in the semi-finals, the final match was strictly an inter-residence competition with L.B.R. victorious over Lady Dunn winning two out of three games.

Men's Inter-Residence Basketball

With no weather conditions to worry about, the Men's Inter-Residence Basketball league has gotten off to an enthusiastic start, showing the largest number of competing teams. The standings thus far show Harrison leading with 15 Amby Legere Cup points, Neill and L.B.R. both with 10 points, and Jones in close behind with 8 points.

People are alright taken two or three at a time. Beyond that, they tend to choose up sides and wear armbands.
