WELCOME BACK CLASS OF '96!!

Even though graduation happens in May, the Grad Class Executive starts working now! One of our first tasks is to choose a worthy class project. To do so, we need all potential grads' input (ie: your suggestions). Each year the graduating class takes it upon itself to raise money for a project which will benefit students and/or the campus. In the past years, there have been projects such as: light a path, adopt a book, opening doors; etc. Suggestions may be submitted to the Grad Class Office in room 117 of the SUB,

This year we are looking for student representatives in each faculty. There will be more info at a later date. If you are interested in learning more right now, please contact the Grad Class '96 at 453-4622.
