Dear Sir,

The Indians of Fisher's Grant reserve  
have very little wood for fuel for the winter  
& moreover, Mr. Shevada is offering ninety  
acres of well-timbered land for sale at  
twenty-two dollars an acre. This  
land is adjoining a convenient, and  
the Indians are desirous of getting  
it. Kindly let me know what the  
Government intends doing.

Your obedient servant

J. D. McLeod
