OFFICE OF THE PRIME MINISTER

MEMORANDUM for the Prime Minister.

C195831

Dr. Perkins of Cornwall, Ontario, phoned this morning that he would be at the Chateau Saturday and Sunday, and if possible, wishes to have the Prime Minister as his guest for a meal at any convenient time. I advised that the Prime Minister was out of the City, and would not return until late this evening, and that he was then proceeding to Kingsmere for a much needed rest over Sunday.

Dr. Perkins expressed his appreciation of the Prime Minister needing a rest, but stated that should there be any change of plans by chance, he could be contacted at the Chateau.
