

Letter Copying Made Easy

¶ Letter Copying is an important detail in every business.

¶ The question is how to procure legible copies of the letters, invoices, etc., as they are sent out.

¶ The Rapid Roller Letter Copier has solved the problem.

¶ A simple machine, easy to operate, produces clear, readable copies, saves time, energy and costs less by 80% than any other method.

¶ Send for Catalogue and figure out for yourself how much you can save.
