"In Capt. Yate's book . . . the march of Col. Ridgway's
party across the desert, and thence, *via* the Helmand,
outskirts of Herat, . . . was fully detailed; and the opera-
tion by the Boundary Commission up to the abrupt ter-
mination were discussed with plainness and accuracy.

"Though the dramatic element predominates, as is
usual in Mr. Yates's stories, something deeper in the way
of psychology than he has often attained may be traced in
the character of Madge Pierrepont."—*Id.*, No. 2320.

"His book is singularly rich in memories, not only
men who are gone, but of the world that is gone with
them,—that old Bohemia, of which for us Warrington and
Penicill are the ideal inhabitants, and poor Captain
Costigan and Shandon perhaps the real."—*Sat.*, Rev., lviii.

"Mr. Yates is a capital gossip, and will carry his latest
reader through his volume without the interruption of a
yawn."—*Spectator*, lviii, 1580.

Gaul, from the Earliest Period to the Time of English
Legal Memory, Lon., 1874, 8vo.

"According to Mr. Yeatman, 'so numerous, so malign-
ant, are the lies of history that the only safe plan to adopt
is to discard everything.' . . . In the place of the usually
used theories of the early English, Mr. Yeatman gives
his own theories that here in England might be found
the descendants of Gomer, of Tubal, of Mesekh, of Javan,
of Phiras."—*Acad.*, v. 360.
