

(e) To apply for, purchase, or otherwise acquire, and to use, grant licenses in respect of, or otherwise turn to account, any patents, "brevets d'invention," licenses, concessions, and the like, conferring an exclusive, or non-exclusive, or limited, right to use, or any secret or other information as to any invention that may seem capable of being used for any of the purposes of the Company, or the acquisition of which may seem calculated, directly or indirectly, to benefit this Company.

(f) To buy, sell, manufacture, and deal in minerals, plant, machinery, implements, conveniences, provisions, and things capable of being used in connection with metallurgical operations, or any of the business of the Company, or required by workmen and others employed by the Company.

To purchase, take on lease or in exchange, hire, or otherwise acquire and hold, lands, mines, estates, factories, buildings, furnaces for smelting or treating ores and refining metals, mining rights, rights of way, light, or water, or any other rights or privileges, machinery, businesses, goodwill, plants, stocks-in-trade, or other real or personal property as may be deemed advisable.

(h) To borrow or raise money for any purpose of the Company, and for the purpose of securing the same and interest, or for any other purpose, to mortgage or charge the undertaking, or all or any part of the property of the Company, present or after acquired, or its uncalled capital, and to create, issue, make, draw, accept, and negotiate perpetual or redeemable debentures or debenture stock, promissory notes, bills of exchange, bills of lading, warrants, obligations, and other negotiable and transferable instruments.

(i) To search, prospect, examine, and explore for mines, metals, and minerals, and to obtain information relating to mines, minerals, or mining locations, and to employ and equip expeditions, explorers, experts, and other agents.

(j) To use steam, water, electricity, or any other power, as a motive power or otherwise.

(k) To obtain, by purchase, lease, hire, exchange, development, discovery, location, assignment, or otherwise howsoever, and to hold in the Province of British Columbia and elsewhere, water rights and privileges, coal lands, timber lands and leases, mills and mining works, buildings, machinery, easements and privileges, and surface rights, and to equip, operate, and turn the same to account, and to sell or otherwise dispose of the same, or any interest therein.

(l) To acquire water privileges and rights, to dig and construct ditches and canals, mills, flumes, and aqueducts to convey water from one place to another, as the business or purposes of the Company may require.

(m) To amalgamate with or acquire the business and liabilities of any other company or companies having objects altogether or in part similar to those of this Company.

(n) To take, or otherwise acquire, and hold shares in any other company having objects altogether or in part similar to those of this Company, or carrying on any business capable of being conducted so as to directly or indirectly benefit this Company.

(o) To sell, let, develop, dispose of, or otherwise deal with the undertaking, or all or any part of the property of the Company, upon any terms, with power to accept as the consideration, any shares, stocks, or obligations of any other company.

(p) To sell and dispose of the Company's stock from time to time and as often as may be deemed expedient for such price, or in exchange for such property, as the Company may think fit.

(q) To pay out of the funds of the Company all expenses of, or incidental to, the formation, registration, and advertising of the Company, and the issue of its capital, including brokerage and commissions, for obtaining applications for or placing shares.

(r) To procure the Company to be registered in any place or country.

(s) To distribute any of the property of the Company among the members in specie.

(t) To do all or any of the above things as principals, agents, contractors, trustees, or otherwise, and by or through trustees, agents, or otherwise, and either alone or in conjunction with others.

(u) To do all such things as the Company may think incidental or conducive to the attainment of the above objects, or any of them.

(v) Nothing hereinbefore contained shall give, or be construed to give, this Company any greater or further powers than are permitted to a company incorporated as a company having non-personal liability under the "Companies' Act, 1897," and all the objects hereinbefore expressed are hereby restricted to acquiring, managing, developing, working, and selling mines, mineral claims, and mining properties, and the winning, getting, treating, refining, and marketing of minerals therefrom.

5. The liability of the members is limited, and no liability beyond the amount actually paid upon the shares or stock in this Company by the subscribers thereto, or holders thereof, shall attach to such subscribers or holders, being specially limited under Section 56 of the "Companies' Act of 1897."

6. The capital of the Company is Two Hundred and Fifty Thousand Dollars (\$250,000), divided into One Million shares of the par value of Twenty-five Cents each, with power to increase and to divide the shares in the capital for the time being (original or increased) into several classes, and to attach thereto respectively any preferential, deferred, qualified, or special rights, privileges, or conditions as to payment of dividends, distribution of assets, voting, or otherwise howsoever.
