MURISON'S UNIVERSAL MEDICINE.

NOTICE.

THE subscriber, general Agends for Morison's Pills, have appointed WILMAN WHITTAKES, Sub-Agent for the Upper Town, No. 27 St. John Storet.

LEGGE & Co.

That the public may be able to form some idea of That the public trey by able to form some idea of lowing calculation was made by Mr. Witte, Clerk to the Samp Office, Son creek House, is a period of its years, (par, only of the time that Morison's Palls have been before the public.) the number of stamps dehered for lind on device amounted to three pullon, nine houseful, and one thousands.

stamps delayers it is that medicine arounded to faree hallor, time housierd, and one thousand.

The object in placing the foregoing before the pithle is to define direction the following powerful argument in favors of Mr. Morroun's assistent and to which the pithle attention is directed, namely that it was only by typing an isomeonic purgative mentation to such an extent that the truth of the Hygerian system could possibly have been established. It is c'ear that all the medicial men in England, or the world, put together, have not tried a system of vegetable pargation to the extent and in manner prescribed by the Hyge its. How, therefore, can they funch less additionably know any thing about the extent of as properties. the exicut of as properties
