Get These Good Books

The standard, beautiful, and incomparably cheap books of the Literary Revolution are in demand far beyond our resources for manufacturing them. We must manufacture and sell quickly immense editions of these books in order that we may afford the low prices, and that we may transfer our capital to other standard books for which we are having most urgent demands. If, therefore, you want any of the books named below, order them promptly, as we shall after a few days cease to manufacture these editions, and they will then not be obtainable in the market.
