A WORD TO THE WISE

The editors hope you enjoy reading The Guide. This year will see many important improvements made. We can promise our old subscribers many new, unusual and interesting features, a constant bettering of our service.

During the next few years Canada must solve the trying problems that will have resulted from the great war. The equitable solution of the reconstruction difficulties will determine the status of western agriculture—as to whether our prairies will be dotted with prosperous farms or the industry stifled by placing upon it an unequal portion of the vast burden of debt that has been created. Every farmer should keep posted—The Guide should be a weekly visitor in every farm home during this period.

Back numbers of The Guide cannot be supplied. Send in your renewal promptly to avoid missing a single issue.

The yellow address label on The Guide shows to what date your subscription is paid. No other receipt is issued.

Remittance should be made direct to The Guide, either by registered letter, postal note, postal, bank, or express money order.

Prompt payment of claims without a moment's unnecessary delay is one of the first rules of The Great-West Life Assurance Company.

Scores of letters from beneficiaries show how much this promptness often means to them. Here is one letter from Ontario:—

> Thank you for the prompt and thoughtful way you remitted insurance. Of all the companies in which my husband was insured, you were the first to remit, although so far away.

Investigate The Great-West Policies and you will find that in all points they leave nothing to be desired.
