

WORK OFFICIALLY BEGUN ON NEW ALBERT COLLEGE

(Continued from page 1.)

with the amount given by the National Campaign of \$175,000 and some \$10,000 by persons outside of Belleville, gives a grand total to date of \$325,000. The estimated cost of the buildings, (including foundations), to accommodate 150 pupils, viz., administration building, 3 dormitories, dining-hall, gymnasium and swimming-pool, is \$500,000. Besides this, \$100,000 has been subscribed for Endowment. Marvellous as is the acquiring of this large sum of money, more wonderful still is the spirit that has made this generosity possible, viz., the unbounded faith in the possibilities of Albert College and the appreciation of the contribution that she is making to our national life. This sainted woman, the late Mrs. Levi Massey, said to me, "Fear not the future of the great work. God has put it in your heart, and He will see it to completion." The movement from the beginning justified this prophetic statement.

From 1858 to 1874, Professor Carman occupied the position of Principal of this Institution and professor of mathematics, which positions he filled with remarkable executive ability and great force. In 1874, the General Conference elected him to the highest dignity in the church, the office of Bishop. His successor as President of the College was Rev. J. R. Jaques, D.D., Ph. D., Professor of Classics, a ripe scholar and wise administrator, who had had years of experience as a teacher in American Colleges. President Jaques held this position for ten years, when he retired in 1885, and was succeeded by Principal Dyer. The success of the Institution under him is too well known to need comment. In 1913, on account of ill health, Dr. Dyer retired and Dr. E. N. Baker was appointed.

Dr. Baker's Address.
Rev. Dr. Baker in a short address said: "In 1917 a disastrous fire destroyed the administration building of Albert College. This caused the Board to consider the future of the Institution. Some of the authorities of the church suggested its removal from Belleville. The City Council, on hearing this consulted the members of the Board. The result was the submission of a by-law to the rate-payers, to buy some 50 acres on the west side of the city, overlooking the bay. This by-law was carried by a very large majority. Added to this gift, the citizens of Belleville have subscribed \$140,000 to erect the new building. This,

with the amount given by the National Campaign of \$175,000 and some \$10,000 by persons outside of Belleville, gives a grand total to date of \$325,000. The estimated cost of the buildings, (including foundations), to accommodate 150 pupils, viz., administration building, 3 dormitories, dining-hall, gymnasium and swimming-pool, is \$500,000. Besides this, \$100,000 has been subscribed for Endowment. Marvellous as is the acquiring of this large sum of money, more wonderful still is the spirit that has made this generosity possible, viz., the unbounded faith in the possibilities of Albert College and the appreciation of the contribution that she is making to our national life. This sainted woman, the late Mrs. Levi Massey, said to me, "Fear not the future of the great work. God has put it in your heart, and He will see it to completion." The movement from the beginning justified this prophetic statement.

When we reach what we propose, three more dormitories to accommodate one hundred and fifty more boys and young men will be undertaken. This will bring the value of the buildings up to \$700,000 without equipment. There will then be needed about half a million endowment so that the rates may be put down so that no boy may be turned away from the institution for lack of funds.

A Splendid Heritage.
Albert College with the history of the school since its beginning in 1857, with the generous gifts so far for this new enterprise, with the felt need for just such an institution to meet the needs of the times, with what is more than all these—the seal God has put upon the efforts of the board so far in this enterprise, surely has a bright outlook—as bright as the promise of God. "My God shall supply all your needs," all that is needed on our part who are privileged to take up these burdens is to realize our opportunities, catch the spirit and carry on the work of those who made it possible for us to enjoy such an heritage.

A Chance for Every Man.
The Bay of Quinte Methodist Conference lent its recognition to the unique occasion when the President, Rev. W. Elliott, declared that the history of Albert College could not be written in words alone. "Every man must have his chance," a soldier who fell in the great war had said, and this summed up Albert College's attitude.

There is no rivalry between Albert

College and the Board of Endowment, said Chairman Arthur McGie. Belleville board was glad to see the new college begun, and Mr. McGie said he hoped the spot for the new college would soon be turned. He was pleased that Dr. Baker had been able to raise such a large amount for buildings and endowment.

City's Greetings

Official greetings from the city were brought by Mayor Hanna. "Dr. Baker's success in raising funds should be inspiring to all."

"I am sure when I look back on my career in the Council, the best step we took was in helping to realize Albert College for Belleville," said Ex-Mayor H. F. Ketcheson. "The city's little gift helped to retain the college. I am so pleased that Belleville and Albert College will be associated for the future. We look forward to the days when Belleville and Albert will be as famous as Cambridge or Oxford."

Dr. Baker's Zeal

Dr. Coughlin, Superintendent of the Ontario School for the Deaf, referred to Albert's good record and its greater days to be, and expressed his admiration for Dr. Baker whose work and zeal made the new college a possibility. "I hope Albert College and the Ontario School for the Deaf will co-operate in many ways," he said in closing.

Government Aid for College

Hon. Nelson Parliament, M.P.P. for Prince Edward, Speaker of the Legislature, referred to the part education plays in the development of citizenship.

"I can see no reason why the Provincial Government should not grant assistance to an institution like this. I do not say that Toronto University should not receive a grant, but it should not receive all while institutions like Albert College do not receive assistance. Those who have charge of the College should make an effort to get the government to make a substantial grant," he said amid cheers.

Mr. Parliament had no doubt that this U.E.L. district would rally to Albert College. He closed with a fervid picture of the greatness of Canada to be.

Mr. W. H. Ireland, M.P.P. for West Hastings, agreed with Speaker Parliament regarding a provincial grant. "With the assistance of the Speaker and Mr. Denyes I will use every effort to lay before the Premier the duty of making a grant to the college."

Albert's Graduates Abroad
Mr. H. K. Denyes, M.P.P. for

Clean to handle. Sold by all
Druggists, Grocers and
General Stores

East Hastings, referred to those who had made the college—Dr. Jaques, Dr. Dyer, Dr. Baker, and particularly to Miss Gardner who has been so closely allied with the institution. Albert's graduates were in all parts of the earth, in China and Japan bringing light of christianity and education to the heathen.

From this county went great men—Sir Gilbert Parker and Sir Charles Hanson, ex-Lord Mayor of London.

Presentation of Spade

Dr. Baker thereupon handed to Mr. R. J. Graham a silver shovel to perform the ceremony.

"I have great pleasure in presenting you this spade to turn the sod for the greater Albert College."

The spade bore the following inscription on a plate:—

The Turning
of the First Sod
of the New
Albert College
by
R. J. Graham
June 27th, 1921.

Mr. Graham, appreciating the honor conferred on him, declared: "It seems to me this institution is to do a better work than ever before. The site is fitting. It seems to me that this institution in a city of homes is going to make a better Belleville. I consider this is also a manufacturing industry—making boys into good men."

"Without Dr. Baker this sod-turning would not have taken place. He has stood up for Albert College and has given of his substance, so I say all honor to Dr. Baker for his work in Albert College."

Sod Turning
The sod was then turned. The gathering sang the National Anthem, and after cheers the Rev. D. C. Ramsay pronounced the benediction.

Messrs. J. L. Moulton and F. C. Miller, who are graduating at Albert this year, gave the College yep.

Several hundred people from the

RIDER IS THROWN TO GROUND; HURT WHEN COLT JUMPS ON HIM

Thrown from a colt which he was breaking-in with a saddle on Saturday evening, Mr. W. W. Anderson, of Ameliasburg, ex-Warden of the County of Prince Edward, was quite seriously hurt when the animal trampled on him. Two ribs on the left side were fractured and minor injuries in the nature of bruises were sustained. Mr. Anderson undertook the breaking-in the animal and had been for about an hour striving to succeed in getting upon the

colt's back. The animal was quite fractious but Mr. Anderson held his seat. The animal made a sudden movement and Mr. Anderson fell to the ground. The horse jumped upon him.

Help was forthcoming and Mr. Anderson was got to the house. Dr. J. A. Faulkner of this city was called in attendance. He bound up the chest in order to permit the fractured ribs to knit. Mr. Anderson will be kept in bed for some time.

UNION S. S. PICNIC FRIDAY

Is Being Held at Rednersville Park—Sixteen Schools of Township Invited

NEW PASTOR APPOINTED Local Ball Players Playing Keenly for the Nelson Parli- ament Cup

The main topic of interest in this borough these days is the big Union Sunday School Picnic to be held in Redner's Park on Friday next. The Committee has the lumber and scantlings upon the ground for the erection of a fine grocery building which is to be left from year to year for the storing of tables, seats, platforms, etc. Besides the sixteen Sunday Schools of the township, a general invitation is extended to those of the public who may be interested and special invitation to the Mayor and Secretary of the Chamber of Commerce, Belleville, along with other public leaders, Foxboro Boy Scouts and Cannifton Trail Rangers are participating and the Picton baseball team is scheduled for a match with the local team at four o'clock in the afternoon. Bills are also out for a Grand Circuit Concert in the evening which will include a spen-

city and country witnessed the ceremony. The grounds have been staked out for some of the excavations.

did line up of local talent. The Rednersville Band, etc. A memorable Dominion Day is in store here if the weather is good.

Mr. Ralph Stafford has carpenter's busy at a fine new garage. His new Briscoe must have suitable quarters.

W. W. Hough has just completed a good-sized new barn which adds much to the appearance of his farm.

Mr. W. Cole and family of Toronto, have moved here. They have purchased the farm of Mr. W. G. Orvis, better known as the W. E. Anderson farm.

Mr. Benj. Howell has greatly improved his residence at the main corner of the village by a good heavy covering of paint. This should be a suggestion to everybody to trim up and brighten up so that we may have one of the neatest, prettiest hamlets in the country.

The conference assigned a leader in young peoples' work as pastor succeeding Rev. L. M. Sharpe. The Circuit which does not care for the Y. E. movement is doomed. Rev. Mr. Seymour will be cordially welcomed here.

The County League Baseball team is putting up a fine showing in the competition for the Nelson Parliament Cup. Defeating Allisonville, Saturday 18th inst. and West Lake last Saturday it now looks as though they have good chances of winning. They are scheduled to play with Picton here at the Picnic, July 1st.

Mr. and Mrs. Wesley Maybue, of Smithfield, spent the week end visiting friends hereabout.

Miss Meyers, of Bayville, is the guest of Mrs. J. B. Phillips for a few days.

Miss Helen Hermon is recovering nicely from the effect of the operation for appendicitis.

Local motor owners are feeling a certain sense of security since the round-up of the gang of motor thieves. Detective Force deserves much credit for his efficient efforts in this intricate case.

Mr. and Mrs. B. L. Redner accompanied Mr. and Mrs. L. Brickman in a motor trip around Lake Ontario last week. They report a very pleasant journey and splendid prospects for the season's crop.

Will You See Them?

Women are shown how to improve their appearance, look younger, and safeguard their health with the use of a "Dorenwend" Hair-Piece at the Special Hair-Goods Display at the

Quinte Hotel Tuesday - July 5th

The Advanced Fashions of the elaborate and high head-dresses require the use of an extra Hair-Piece to secure the distinctive effects. Telephone Mr. Knight and arrange to be privately shown the marvellous and perfect Hair-Pieces.

Clip This Ad

A conference of Belleville Merchants decided to commemorate the event—for it really is an event—of the formal abolition of Bay Bridge Tolls, by something unusual in attractiveness to our Prince Edward customers.

Now, though never having favored the principle of "discount sales," we are going to test out the business value of this idea, by allowing the bearer of this ad. a discount of 20 per cent. from all purchases during the four-day period—July 4th to 7th—excepting the following lines:—Waterman Pens, Community Plate, Big Ben Clocks, Ingersoll Watches.
