THE SITUATION

On Thursday a tremendous offensive was commenced by picked German troops on the French forces north of Rheims. The object of the foe was to clear the left bank of the Aisne, and the assault failed over a greater part of the front save for their entry into some first line trenches. To-day's report is that the French are steadily regaining the lost ground, despite the fact that the Hun is using liquid fire against them.

President Wilson has at last formally signed a declaration of war, and our neighbors are going at things in alert fashion. All the interned German vessels have been seized, Congress will be asked to pass a military budget of three and a half billions, an army of one million is to be raised within a year, and the navy strength is to be raised from 68,000 to 197,000 men.

There are rumors that Turkey is ready to turn on Germany, but it is doubtful if she can gain any advantage thereby. The feeling is too strong that the whole bunch of them should be properly and definitely licked together.

A German aeroplane bombed the coast of Kent on Thursday night. No lives were lost, and the property damage was small. Such attacks have practically become a negligible quantity.

THE ALDERMANIC ELECTION

The aldermanic election in Ward Three rendered necessary by the resignation of Mr. Hollinrake, takes place on Monday, and the Courier believes that the ratepayers cannot do better than cast their ballots for Mr. F. C. Harp.

He has resided in this city practically all his life and is well known as an up-to-date and progressive business man. He is not new to aldermanic duties having occupied a seat at the Council Board last year when he did efficient and faithful work on the finance and light committees.

He has therefore already demonstrated his capability and possession of the very qualities of proved worth which are so desirable with reference to the administration of municipal affairs.

The voters of Ward Three can make no mistake in casting their ballots for him and in so doing they will have the satisfaction of knowing that they are rendering themselves and the city alike a good service.

A DELIGHTFUL PERFORMANCE

Manager Whittaker of the Grand Opera House deserves to be heartily congratulated upon bringing such a splendid attraction to this city for Good Friday as the Boston English Opera Company.

NOTES AND COMMENTS.

Uncle Sam is commencing to put down his foot with a firm hand. There is evidently a leak in the Celestial waterpipes. Don't any plumbers ever go to heaven?

Announcement is made of a panic on a Toronto street car. Probably caused by enough seats for those on board.

Those fifty members of the House of Representatives who voted against a declaration of war against Germany have no business having the stars and stripes or any other decent flag wave over them.

The Ontario House having adjourned, Hartley Dewar will have to remove his mickel stumt to the bosom of his family. The man doesn't seem to realize that his attempted hullabaloo is as dead as the late Queen Anne.

After fourteen years absence, Rory McKenzie, who is almost eight feet high and weighs 426 pounds "dropped in" on his parents at St. Marys. Must have been quite a shock. The despatch also says that he is "on a flying visit." The brand of wings he uses for that weight is not specified.

Miss Rankin, the new and first lady member of the U. S. Congress became hysterical when called on to cast her first vote on the declaration of war. Tut, tut, Jeanette. You'll be in Mrs. Pankhurst's black books if you don't watch out.

Adam Brown, postmaster of Hamilton, this week celebrated his 91st birthday by attending to his job as usual. On Friday, J. R. Booth, millionaire lumberman of Ottawa, was at work at his mills on his 90th anniversary. It is a wicked world to Brown but he is proving a stayer, and as for Booth, he is evidently made of the right timber.

Sir Mackenzie Bowell is older than either of them but he can still frisk with men thirty years his junior. They certainly contribute a notable illustration of the fact that it is possible for men in the nonagenarian class to be both happy and useful.

Mayor Bowly is indignant because he says the Board of Works went behind his back in stopping the postponement of the Hamilton meeting with the Dominion Railway Board. The facts are the other way round. It was Mr. Bowly who went behind the back of the Board in seeking the postponement without saying a word to the members of the same.

At the Thursday Provincial Road meeting in Hamilton, the Mayor also failed to accompany the delegates but went as a separate individual. It is the old, old story on his part of the "lone hand" game, and unless it is cut out, much harm will be done.

ATHLETIC MEET BY Y.M.C.A. BOYS

A very enthusiastic athletic meet of the junior department was held in the Y. M. C. A. on Thursday night last, in which about sixteen boys competed. The events were based on the Canadian standard efficiency tests, which grade, according to weight, thus a larger boy must do better than his smaller rival to gain the same number of points.

George Adams, with 408 points, led the field, Leslie Watt was second with 393, and Walter Brewster third with 388. The highest actual scores in the different events were: High Jump—W. Brewster, 4 feet 7 inches; second, G. Adams, 4 feet 6 inches.

Broad Jump—L. Watt, 8 feet 4 inches; second, G. Buck, 7 ft. 11 in. Pull Up—G. Adams, 15 times; second, L. Watt, 13 times. Put—G. Buck, 20 ft.; second, L. Watt, 29 ft. 7 in.

60 Yds. Potato Race—M. MacBride, 14 3-5 sec.; second W. Brewster, L. Watt, G. Adams. O'Donahue tied at 15 and 3-5 sec. The score of all the boys who competed in all the events: Rogers, 342; Brewster, 388; Bamford, 270; Buskard, 279; Adams, 408; Watt, 393; Taylor, 347; Silverthorne, 354; Kerr, 352; Buck, 340; O'Donahue, 373; Russell, 355; Schultz, 313; Rowe, 382; MacBride, 371; Bier, 303.

The boys are very enthusiastic over this meet, and a big effort will be made to keep athletics to the fore this summer.

Wedding Bells

LANG—LITTLEFIELD A quiet but pretty wedding was celebrated at the Kerby House Wednesday afternoon, when Estelle E., only daughter of W. H. Littlefield, proprietor of the Kerby House, was united in marriage to Robert Lang of Shamokin, Penn., in the presence of a few friends.
