### MRS. WILLIAM R. WILLIAMS.

Ostrea Lake, January 17—The community of Ostrea Lake, Halifax County, is again deeply saddened in the death of Grace, beloved wife of William R. Williams, on January 10th, aged twenty-eight years. In her death the community suffers a very great loss, as she was of a bright and loving disposition which endeared her to a host of friends. She was a devoted member of the Church of England, being seldom absent from the service, and for many years she filled faithfully the position of organist. Besides a husband, she is mourned by a father and step-mother, also three brothers, Owen and Clifford in the navy, and Guy overseas, in the 25th Battalion.

### IN MEMORIAM.

In loving memory of our dear son Pte. Ernest Howard #20297, Killed in Action, 8th Bn. January 25 1918. Inserted by Father and Mother.

Somewhere in France where duty led He fills a patriot grave. The lark sings high above his head Only the lark knows the hallowed bed. Where lies our soldier brave.

Sacred the ground where a soldier sleeps Who came at his country's call. Onward the tide of battle sweeps, Only the lark o'er his bosom weeps. Yet he gave to the world his all. 22-1-18-19.

### MRS. MARY CARR DIES AT 101 YEARS OF AGE.

There recently passed away, at Oyster Pond, Guysboro, at the great age of 101 years, Mary, widow of Robert H. Carr, death being rather due to old age than to any specific ailment. Indeed, Mrs. Carr has enjoyed extraordinarily good health up to a very short time before her death. Mrs. Carr was of Scottish ancestry, her maiden name having been Ferguson, and she was known throughout the district in which she lived for her great age. Her vigor, up to the very end of her life was remarkable. News of her death was received with regret in the wide circle of those who knew her.

## Two or More Persons May Use One Account

The "joint account" is a very popular feature of The Bank of Nova Scotia service. Each person may deposit or withdraw independently. Interest quickly accrues, and with two saving, the growth of the account is more rapid and pleasing.

Husband and wife—brother and sister—father and son, or others, are enabled to save systematically by this means.
