TORONTO TO EARL MINTO.

With Hundreds At Reception Bids Official Toronto, Nov. 12.—The public rebeption tendered to the Governor-General and the Countess of Minto last evening was attended by a large concourse of people and the City Hall presented a brilliant spec-

City Hall presented a brilliant spec-tacle.
At 9.30 the band announced the arrival of the Vice-Regal party, and when they had gathered at the foot of the grand staircase, His Worship the Mayor read a highly eulogistic

address of farewell.

Lord Minto said he deeply appreciated the honor of receiving such an address on behalf of the City of Toronto and thanked the Council for Toronto and thanked the Council for the kind words in reference to Lady Minto and himself. He would always remember with pleasure his visits to the city, regretted that it was his last visit, but hoped that some day it might be his pleasure to return and visit his many firm or the council of the council o

The members of the Council and ladies were then presented to their Excellencies and a steady stream of citizens followed for over half an

After the first half hour the rush slackened and by 10.30 the public desire to meet the representative of the King had apparently been satisfied and the party took its leave to the accompaniment of the National Anthem by the combined orchestras. The reception was most informal and the gathering was truly repre-sentative of the city. Their Excellencies had many call-

deputation from the Daughters of the Empire waited upon Lafy Minto. The executive of the Ontario Curling Association waited on Lord Minto, and Mr. McMurrich, for the deputation, voiced the gratitude felt for his interest in the game and his bringing out of the Scotch curlers. In reply His Excellency said it was not a representative team, but merely a set of good fellows who had come out, and they had enjoyed their trip. He would, on returning to Britain, do what he could to

spread the glories of Canada.

Last evening Lord Minto was the guest of the Bankers' Association at their banquet, prior to the reception at the City Hall.

WADE AFTER BLAIR.

Messrs. Fielding and Emmerson Are Pressing His Claims.

Ottawa, Nov. 12.—It looks as if F. B. Wade, chairman of the Grand Trunk Pacific Construction Company, will go over to the Railway Commission as chairman. He had a long interview with Sir Wilfrid Laurier, and it is said this proposition was discussed. Mr. Wade's claims are was discussed. Mr. Wade's claims are being strongly urged by the Minister of Finance and the Minister of Railways, who come from the same part of the Dominion. His appointment would also meet with general favor among the Liberals. A Cabinet meeting was held yesterday, but only routine business was transacted.

Mr. Blair Is Giad.

Terento, Nev. 12.—Hon. Mr. Blair, x-Chairman of the Railway Com-Terento, Nev. 12.—Hon. Mr. Blair, ex-Chairman of the Railway Commission, passed through town yesterday on his way to the World's Fair at St. Louis. He was glad to be able to get to the big fair. On public affairs, he was not communicative. He said:

"I saw the despatch in the papers about Mr. Wade, but I don't know anything further. My own plans have been perfectly clear from the first. The papers tell me I have not succeeded in carrying out my ob-

Mr. Blair gave it to be understood that the unceasing demands made upon his energies have been rather a severe tax for a man of his years, and that the necessity for a more remunerative occupation equally requires his adhesion to the plans he formed at the time of his resigna-

ANNOUNCEMENTS.

On the Bridge at Midnight-Nov The Mummy and Humming Bird-Lyceum Course-Nov. 21.

TO-NIGHT.

With its great steel arms lifting to permit the passage of a steamer, just as a real Jack-knife bridge does, just as a real jack-knife bridge does, the wonderful piece of scenery in the new melodramatic play "On the Bridge at Midnight," has elicited the surprise and general approval of every audience which has viewed it. It is the most remarkable mechanical effect ever introduced into the stagle setting of a drama. The production itself is one that is fully in keeping with the magnificence of the keeping with the magnificence of the stage settings and with George Klimt in the leading role, Miss Alma Hearn as leading woman, and a thoroughly capable company to support them, the new production is staged with an elaboration that makes it the greatest success of the year in its line.

ONE OF THE BEST. "The Mummy and the Humming Bird," which is admittedly one of the most popular comedies upon the stage to-day, having scored an emphatic success in London and New York, as well as all over the civilized world, will be presented by an exceptionally clever company at the Grand on Friday evening, Nov. 18th. The play tells a story that is human and lifelike. It is the case of the husband, so thoroughly involved in his work that he neglects his wife completely. There is no intentional neglect, no dearth of love in the treatment Lord accords his wife. He is simply preoccupied with his scientific researches, and permits them to exclude everything else from his life. His wife well as all over the civilized world. and permits them to exclude every-thing else from his life. His wife soon forms the opinion that he cares more for his science than he does for her. At first she js chagrined, then perplexed and then she becomes worried and tries to win him away from his investigations. In this she fails and the conviction is forced upon her and the conviction is forced upon her that her husband has ceased to love her. Just then the "Humming Bird" enters her life. His advances are artful and deceive her into thinking that they are only the signs of friendship. She is quickly lured into a compromising position, from which by his ready wit and cleverness her husband rescues her and saves her reputation and his own name. Their reconciliation is as beautiful as it is reputation and his own name. Their reconciliation is as beautiful as it is pathetic. The company that is presenting this powerful, play is a resenting this powerful, play is a remarkably strong one, as is evidenced by the fact that so far this season scarcely a performance has been given without every member of the cast receiving a curtain call. Mr. W. A. Whitecan will appear as Lord Lum-

Thursday evening the largest church in the town was crowded to the doors, when 19 of the 28 departments of work taken up by the W. C. T. U., were demonstrated by songs, recitations and addresses.

On Wednesday evening, which is always given over to committee meeting, there was, by request of the citizens of Bowmanville, a special public meeting, addressed by Mrs. Gordon Wright, of London, and Miss Dunhill, of India, W. C. T. U. organizer for British India, who captured all hearts with her winning manner and deeply spiritual address. Miss Dunhill is an Eurasian missionary, and appeared in native costume.

Barrie's Murder Trial. Barrie, Nov. 12.—At the Assizes yesterday Mrs. Saunders and her sister, Phoebe Davis of Orillia, were being tried for the murder of Mrs. Saunder's infant. The evidence giv-en yesterday showed the birth of the child and its death half an hour latchild and its death half an nour lat-er, also that on its head were found marks as if made by a blow from some sharp instrument.
