the PAIN KILLER has no equal, and it has never been known to fail to effect a cure in a single instance. It is used in some of the largest livery stables and horse infirmaries in the world. To resuscitate young lambs or other stock chilled and dying from cold, a little PAIN KILLER mixed with milk will restore them to health very quickly.

The PAIN KILLER is for sale by Druggists Apothecaries, Grocers and Medicine Dealers throughout the world.

AYER'S

Hair Vigor

outh, faded or gray hair to a natural, rich

brown color, or deep black, as may be desired. By its use light or red hair may be darkened,

thin hair thickened, and baldness often

It checks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the

scalp. As a Ladies' Hair Dressing, the VIGOR is unequalled; it contains neither oil

nor dye, renders the hair soft, glossy, and

silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHER writes from Kirby, O., July 3, 1882: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of AVER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. Bowen, proprietor of the McArthus (Ohio) Enquirer, says: "Ayen's Hair Vigors is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The Vigors is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGUS FAIRBAIRN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 10: "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AvER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eyes of the public."

OLD AGE .- The Annapolis Spectator MRS. O. A. PRESCOTT, writing from 18 Elm St., Charlestown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the VIGOR, but now use it occasionally as a dressing."

The writer thinks, the poet sings,
The craftsman fashions wondrous things,
The doctor heals, the lawyer pleads,
The miner follows the precious leads,
But this, or that, whate'er befall,
The farmer he must feed them all.

The farmer's trade is one of worth. He's partner with the sky and earth, He's partner with the sun and rain, And no man loses for his gain,

Canada and the United States.

To no man living need he bow;
The man who walks behind the plow
Is his own master, whate'er befall,
Thursday and Saturday only, up to 6 o'clock,
p. m.

and that would sprout freely. A light sprinkling of lime upon potatoes when stcred is a preventive against rot. Potatorotis a parasitic fungus, and the lime destroys the germ.—[Farmer's Adv.

Preserving Fruit.

The housewife is always proud of a good supply of preserves, jellies, and canned fruit. In winter time these are very acceptable. Some general directions are here given for these operations. In preserving, the fruit should be ripe. It should be boiled in a weak syrup until it is cooked, and then taken out and put in jars, while the syrup is boiled down until it is ignized.
